March is [Women's History Month](#) and today, **March 8** is [International Women's Day!](#) While we may not be able to convene for our Annual International Women's Day Run at Stuyvesant yet - you can get outside and run, walk or get a socially distanced pal or your family to have your own event. Follow [Stuy Road Runners](#) or the [Stuy Wellness Council](#) on IG for tips and tag Stuy in your social media posts as you celebrate Women's History Month and International Women's Day!

This week, [Office Hours for Parents](#) will take place on **Monday 3/8 at 8am, Thursday 3/11 and Friday 3/12, at 2:30pm.** Parents & guardians do not need to sign up in advance. These recurring Zoom conversations are informal and discuss any question/topic you may like as well as a chance to meet some of your fellow parents. We will learn what to do in absences, how to change your address and how to get documents you need to reference.

In partnership with the PA, we will host a [Naviance Workshop for Parents](#) tonight, **March 8** at 6:30pm with **Ms. Jearel Wilson** presenting. This is open to parents/guardians in all grades and we will have Mandarin translation. [Register now!](#)

Tuesday, March 9 at 11:30am, the **Monthly Safety Meeting** will be open to the entire community and a **special presentation on Mental Health at Stuyvesant** will take place. Please [join us by registering for the webinar.](#) Click the link for the agenda on this important meeting with our social worker, counseling department and more.

On **Tuesday, March 16**, the PStuchology Club, PA and Stuyvesant present a Mental Health Wellness Night at the PA General Meeting. [Register to join](#) at 7pm to hear Dr. Michael Mullarkey present **Mental Health During COVID-19: How To Make Sense of the Science.** Mandarin translation will be provided.

Sign up for [Coffee & Conversation with Mr. Yu](#) on **March 17** at 8:30am. This is an informal chat and open forum for questions and concerns.

In response to our focus on mental health and wellness at Stuy, we are asking parents/guardians to [participate in an important survey.](#) Please submit by March 10 in either [English](#) or [Chinese.](#)

Last week, families received important [communicatons about AP Exams](#) as well as the upcoming [School Day SAT administration for juniors](#). The **AP Exam Schedule** is posted on the [Stuyvesant school website](#) as well as the [Talos Blog](#). **IMPORTANT:** All students should follow the Stuyvesant schedule to plan for the dates of the AP Exams; not the dates they see on the College Board site. Soon their website will reflect our school's chosen dates for exams. The **deadline for late registration and deregistration is today, March 8**. We are doing our best to answer your individual and [Frequently Asked Questions](#) as quickly as possible and continue to.

Stuyvesant Juniors who are taking the **SAT at Stuyvesant on March 24, April 13 or April 27** have the special exclusive opportunity to engage in [two weekend prep classes provided by Stuyvesant High School through Kweller Prep](#). Students may [sign up](#) using the google link for the two sessions preceding their test date administration only. These are full length proctored SAT tests (without essay) and review sessions.

Parent Teacher Conferences will take place on **Thursday, March 25 from 5:30-8pm and Friday, March 26 from 1-3pm**. Signup information is forthcoming. Please save the dates and [review the Tip Sheet](#) on the Blog

Lastly and importantly, **ARISTA applications are now LIVE** as of today, March 8. The deadline for applications is April 12. [View all requirements and their brochure at this link](#). Students were emailed this morning with details.

CALENDAR - 2020-2021

You can access **Stuyvesant's calendar of events** on www.stuy.edu. You may download the **DOE 2020-2021 Calendar** and import the dates to your calendar [HERE](#) or print a copy of the DOE calendar [HERE](#). Below is a list for the remainder of the Fall Term. These dates may be updated; more will be added and/or adjusted. **The second column contains clickable links -- CLICK THEM!**
