February 5, 2024

Dear Juniors (Class of 2025) and Families,

This year, we plan to administer the SAT exam in mid/late March and/or April most likely during a school day. The College Board has transitioned to a digital version for the SAT; therefore, it requires the school to plan and prepare differently to administer the exam to over 800 of our juniors. We have not finalized the dates for the administration of the SAT as we are awaiting a decision from the College Board for a possible flexibility for the testing window dates. We anticipate we will be able to make a final decision on test dates shortly.

In preparation for the digital version of the SAT, we recommend that you familiarize yourself with what to expect and to practice this new version of the exam. We recommend you read the [Spring 2024 SAT School Day Student Guide](#) and visit the College Board site for more information about the SAT. Stuyvesant has provided you with SAT prep software to support your preparation at PrepScholar. [PrepScholar](#) provides self-paced adaptive test prep focused on more than 100 skill lessons and 7,100+ practice questions with explanations. You received an email in the Fall to your [stuy.edu](#) account for this test prep opportunity - you can reset your password by clicking on [Reset Your Password / Log In](#). We encourage you to start using the platform immediately to become more familiar with the digital version of the SAT.

We will send you notification as we solidify the final test date and other details. Please be patient as we finalize our planning. In the interim, please take advantage of the suggested resources.

Students who have any questions, please contact Ms. Fanelli at gfanelli@schools.nyc.gov or Room 209. Parents may reach out to Ms. Ingram at ringram3@schools.nyc.gov.

Sincerely,

Seung C. Yu, Ed.D
Principal
