Here are some highlights for this week:

---In the EVENTS section, there are **two free college information fairs on Saturday, March 18th**; the **Latino College Expo** (open to all) at BMCC across from Stuyvesant, and the **Bottom Line College Fair** in Brooklyn.

---In the ACADEMICS category, some of the free summer **CUNY College Now summer classes** in a variety of subjects at various CUNY campuses are open for

registration (for rising juniors and older (& in some cases for rising sophomores). And there are numerous other classes & programs offered by private colleges & non-profit organizations, often with significant financial aid available to eligible students

---In the PARKS section, both the **Queens Botanical Garden** and the **NY Botanical Garden** (located in the Bronx) have programs for high school students, and the excellent **Brooklyn Bridge Park TIDES** program has a 3/24 application deadline.

---In the STEM/MEDICAL category, the **NYU Tandon School of Engineering** in Brooklyn and **Cooper Union** in Manhattan offer popular summer programs. The **City College CREST HIRES** summer program (focused on under-represented & female students, but all may apply) offers a \$1,000 stipend to participants. Numerous other computer science & engineering options can be found in this section. For students with an interest in medicine, there are the **Perry Initiative (for female students)**, the **Sophie Davis Medical School** summer program, the upcoming **Biomedical Hackathon**, the **NYSHECK Environmental/Health** sessions, and more..

Questions, suggestions, and information about other opportunities are always welcome and appreciated, and may be sent to Internship/Opportunity Coordinator Harvey Blumm at: hblumm@stuy.edu - we will share your helpful information with the Stuy community!

And, as always, students and parents should feel free to contact Harvey Blumm for advice & assistance: hblumm@stuy.edu

National Labor Relations Board Student Ambassador Program

“The National Labor Relations Board is a federal agency that enforces the National Labor Relations Act. Through the NLRB’s **Student Ambassador Program**, students will get to engage with NLRB attorneys and investigators, and will learn about the rights of workers and the responsibilities of employers and unions. Students will complete a learning phase and then students will get the opportunity to create a public facing project that the NLRB will help shape and promote. **Each student will be assigned an attorney or investigator as a mentor for the public facing project.**

Examples of a public facing project can be an article in a student or local newspaper or a presentation with an NLRB representative in a class or conference. This Program is a wonderful opportunity for students to develop familiarity with the law, law enforcement, and federal agencies. Equally as important, students will get the chance to create a project centered on what they have learned. They will develop their project skills, use their creativity, and step forward as leaders. At the end of the Program, they will receive a Certificate of Accomplishment.”

Eligible: Current sophomores, juniors, and seniors

Dates:

Learning Phase: July 17 to August 18. Mondays, Tuesdays, and Wednesdays, 5 p.m. to 6:30 p.m. (hours may be adjusted to accommodate all participants)

Project Phase: July 31 to August 18. One virtual group meeting per week while you work on your individual project.

Location: Zoom, with the possibility of visits to the Manhattan Regional Office located at 26 Federal Plaza in Manhattan

Cost: Free

Application Deadline: April 14: Submit a statement of interest in no more than 1,000 words to the National Labor Relations Board's Student Ambassador Program, which must include name, grade level at Stuyvesant HS, email, and cell phone number. Submit it to: Teresa Poor, Assistant Regional Director, teresa.poor@nlrb.gov AND to Joane Wong, Senior Attorney, joane.wong@nlrb.gov

Deadline Extended/Approaching:

New: Program in Algorithmic and Combinatorial Thinking (PACT)

“The program teaches students about the mathematics and algorithms fundamental to the computer science field. Many summer programs teach high school students programming and application development, but this five-week intensive course is one of very few with a theoretical and proof-based emphasis. The only requirements to participate are high school algebra, the willingness to work hard and be challenged, and, above all, the desire to learn.”

Eligible: Current freshmen, sophomores, and juniors

Dates: June 26 – July 28

Location: Virtual (an in-person option may be offered)

Cost: \$1,850 (some financial aid available)

Deadline Approaching:

New: Engineering the Next Generation (ENG)

ENG is a 6-week, full-time summer research program at Columbia Engineering for academically competitive NYC rising high school seniors (i.e. current juniors). High school researchers will be matched with research mentors, supervised by Columbia faculty members and graduate students, and receive a stipend for support.

Eligible: Current juniors

Dates: July 5 – August 11

Location: Columbia University

Cost: Free

Application Deadline: **March 31**

New: Event Approaching: MakeSPP Hackathon

“MakeSPP is an all-day Hackathon and technology conference bringing together 150+ students in the NJ/NY area. You and your team will work on innovative projects, meet other talented creators, and gain insight from college students, industry professionals, and other experienced programmers. Mentors and teachers will aid you with your projects and crucial coding concepts throughout the day. MakeSPP has four main tracks in which you may choose to enter your project: Social Justice, Environment, Education, and Healthcare. Keynote speakers from the technology industry and world of coding will be present. At the end of the event, an exciting competition will decide the best projects and winners will take home thousands of dollars in technology prizes. Lunch, dinner, snacks, cookies, and drinks are supplied for all participants. Custom MakeSPP t-shirts and stickers will be given to all attendees. Be sure to bring a computer.”

Eligible: All students, no experience necessary

Updated: NYU Tandon Summer STEM Programs:

1- Computer Science for Cyber Security (CS4CS) Summer Program

“Computer Science for Cyber Security (CS4CS) is a 3-week full-day summer program providing an introduction on the fundamentals of cybersecurity and computer science at NYU’s Tandon School of Engineering. Through this program, we strive to educate and empower a new generation of engineers in an inclusive environment that breaks down barriers that have historically led to the underrepresentation of women and minorities in STEM. No background or experience in cybersecurity or computer programming is needed to apply, only your interest and enthusiasm.”

Eligible: All students (priority to female and underrepresented students)

Dates: July 10 – 28

Location: 2 MetroTech Center in Downtown Brooklyn

Cost: Free

Application Deadline: **April 14**

Updated: Inspirit AI Scholars Sessions – Summer Courses

“AI Scholars Live Online is a 10-session (25-hour) program that exposes high school students to fundamental AI concepts and guides them to build a socially impactful project. This year we have exciting ChatGPT and Generative AI-focused projects, and special sessions that we hope will help build a relevant and unique AI passion project, taught by our team of graduate students from Stanford, MIT, and more.

Inspirit AI students will explore applications, create foundational AI concepts, and develop AI programming skills before developing a Social Good project. The program also includes college and career preparation workshops, to prepare for top-ranked CS/AI programs and pursue ventures or careers in AI. After the program, students gain access to an online platform for continuous learning, including additional projects in various domains. No prior programming or computer science background is required, but an interest in AI is appreciated!”

Eligible: All Students

New: Project Yellow Light Video & Radio Competition

“Project Yellow Light/Hunter Garner Scholarship is a scholarship competition designed to bring about change. As an applicant you have one clear mission: encourage your peers to develop and embrace safe driving habits.

Here’s what we’re looking for: A video, billboard design or radio spot created to motivate, persuade and encourage your peers to not drive distracted. You have a unique opportunity to play a key role in spreading this important message. You can speak to your peers on this subject in a way that adults cannot. The more lives you can impact, the more lives you can save.

For the video competition:

For both the high school and college categories, the winner will receive a scholarship in the amount of \$8,000. Videos are due April 1.

For the radio competition:

For both high school and college categories, the winner will receive a scholarship in the amount of \$2,000. Recordings are due April 1.

In addition to a scholarship, the winning video may be turned into an Ad Council PSA and distributed nationally to approximately 1,800 TV stations. The winning design may be turned into a billboard and displayed on Clear Channel Outdoor digital billboards across the U.S. The winning radio spot may be shared on iHeartRadio's national network and radio stations across the U.S.

New: Project Yellow Light Video & Radio Competition

“Project Yellow Light/Hunter Garner Scholarship is a scholarship competition designed to bring about change. As an applicant you have one clear mission: encourage your peers to develop and embrace safe driving habits.

Here’s what we’re looking for: A video, billboard design or radio spot created to motivate, persuade and encourage your peers to not drive distracted. You have a unique opportunity to play a key role in spreading this important message. You can speak to your peers on this subject in a way that adults cannot. The more lives you can impact, the more lives you can save.

For the video competition:

For both the high school and college categories, the winner will receive a scholarship in the amount of \$8,000. Videos are due April 1.

For the radio competition:

For both high school and college categories, the winner will receive a scholarship in the amount of \$2,000. Recordings are due April 1.

In addition to a scholarship, the winning video may be turned into an Ad Council PSA and distributed nationally to approximately 1,800 TV stations. The winning design may be turned into a billboard and displayed on Clear Channel Outdoor digital billboards across the U.S. The winning radio spot may be shared on iHeartRadio's national network and radio stations across the U.S.

If you are selected for or enroll in any of the above opportunities, please inform Mr. Blumm ASAP at: hblumm@stuy.edu

Whichever extra-curricular program, internship, or community service activity a student may participate in, they should be sure to ask their supervisor/coordinator to write a letter of appreciation before it concludes – it is sometimes very difficult to obtain this later on. And the more personal & detailed the letter, the better. A copy should then be submitted to your counselor.

Please feel free to contact Harvey Blumm at hblumm@stuy.edu with any questions or feedback on any items in this message, or with any suggestions or concerns you may have. **And always feel free to share any information about opportunities that may be of interest to our parents, teachers, or students.**
