Deadlines Today & Approaching:

Van Cortlandt Park Alliance (VCPR) Internships

The Van Cortlandt Park Alliance offers two paid internship programs for high school students, listed below.

1. **Garden 2 Market Paid Internship**

"During their time in the program, interns are paid $15 per hour and work in our garden learning about horticulture, composting, and the social and community aspects of a garden. They spend time exploring food justice issues and learning about the business of running a weekly farm stand. They gain communication skills and become advocates for healthy eating in their community. The internship includes many chances to taste and cook new foods and recipes- because no internship about food is complete without eating! Eligible summer participants attend a tuition free, accredited, rigorous college course called Topics in Environmental Studies at Manhattan College."

Eligible: All students

Dates: July 1 – August 21

Locations: Various

Cost: Free

*Application Deadline***: April 12**

2. **Urban Ecology Teen Paid Internship**

"Interns work in the park alongside horticulturists and natural areas restoration staff in Van Cortlandt Park. They go on nature-focused field trips, and explore green career opportunities with natural resource professionals—and get paid to do it all! Eligible summer participants attend a tuition-free, accredited college course in environmental

studies at Manhattan College; returning interns participate in a special research project."

Eligible: Rising juniors and seniors

Dates: July 1 – August 16

Locations: Various

Cost: Free

Deadline Approaching: **New York Road Runners Run for the Future Program**

"Through our educational and fitness sessions, our participants develop an understanding of the connection between physical activity and self-care. Topics include nutrition, mental wellness, body image, and self-awareness. NYRR staff and women leaders from our community lead interactive, informative educational sessions that provide a safe space and rich learning experience for our young women. Participants receive a MetroCard for in-person practices, New Balance uniforms and sneakers, healthy snacks, and a wellness kit to support their running and fitness needs during the season. At the conclusion of the program, the new runners participate in their first 5K (3.1 mile) race. Those who maintain an 80% attendance rate during practice sessions and participate in the 5K race will receive a **$500 wellness grant** to be used to invest in their personal health and self-care needs."

Eligible: Female-identifying juniors and seniors

Dates: July 5 - August 12 (Three morning sessions from 8 am – 10 am weekly)

Scholarships:

Updated: Deadline Approaching: **Stuyvesant Alumni Association Scholarships**
The Stuyvesant Alumni Association awards more than 40 scholarships totaling more than $100,000. These scholarships are available only to Stuyvesant seniors. (There is one scholarship available to juniors, The Carol and Theodore Lerner Award for Creativity).

Some answers to common questions on the FAFSA/providing financial information:

- If the students have already provided their colleges with the CSS Profile, they can submit that form in lieu of the FAFSA, but only if they did not submit a FAFSA.
- If the student never filed either the CSS or FAFSA because they are not a citizen or legal permanent resident, they should be sure to state it's because they are not a citizen or legal permanent resident in the "Financial aid information" question on the application. All information submitted by the students in their application is kept to the strictest confidentiality. All of the staff and any scholarship committee members, as well as any other additional parties who read the scholarship applications, must sign and adhere to a confidentiality agreement.
- Students must provide the financial information listed in the checklist in some form, even if they submit a one-page doc with all of it listed out.

If you have any questions, please email alumni@shsaa.org.

If you are selected for or enroll in any of the above opportunities, please inform Mr. Blumm ASAP at: hblumm@stuy.edu

Whichever extra-curricular program, internship, or community service activity a student may participate in, they should be sure to ask their supervisor/coordinator to write a letter of appreciation before it concludes – it is sometimes very difficult to obtain this later on. And the more personal & detailed the letter, the better. A copy should then be submitted to your counselor.

Please feel free to contact Harvey Blumm at hblumm@stuy.edu with any questions or feedback on any items in this message, or with any suggestions or concerns you may have. **And always feel free to share any information about opportunities that may be of interest to our parents, teachers, or students.**
