Virtual Encampment for Youth

“Our virtual summer immersion program is a true experience in democracy, where young people who would otherwise never meet:

- form a self-governing community;
 - learn to think critically about pressing social and political issues that affect their communities and our world as a whole; and
 - take action.
-
- Get a deeper perspective on social justice issues.
 - Meet activists and civic leaders.
 - Learn more about how your community works and how you can make change where you are.
 - Participate in a multicultural community of peers from across the nation who will share their communities with you.
 - Use arts to express your perspective on social justice concerns.
 - Receive four months of follow-up support to develop an action plan.

Participants will learn and practice the powerful strategies of critical thinking, action planning, and using creativity and the arts in working for social justice.”

ONE Lab Summer Studio of Environmentally-Focused Design

“**ONE Lab** is a summer enrichment program that lets high school students explore the nexus between environmental concerns and creative / design practices, including sustainable fashion, architecture, and bio design. ONE Lab is a project of [Terreform ONE](#), a non-profit think-and-do-tank dedicated to fighting environmental degradation through innovative creative technology.

Students may apply to two-week online courses (4 sessions, June - August) in:

- Sustainable Fashion & Materials
- Architecture & the Environment
- Bio Design & Engineering

ONE Lab Summer Studio is online for 2021, allowing us to broaden the scope in lecturers, tours and projects beyond our NYC base. We also make sure students have off-screen time: they do supervised work with our Studio in a Box at their home workspace as well as outside project-related work. Our hours allow students from all across the continental US, Canada & Latin America to participate.

This program is creatively and intellectually stimulating, giving teens the chance to be proactive on climate concerns, introducing them to like-minded peers along with world-renowned design and climate experts, and jumpstarting their road to college and career exploration. They leave with a student evaluation and design portfolio, all great material for college applications.

Virtual Physician Shadowing & Course with Baseline Med

“Welcome to **Virtual Shadowing | Nano Course in Emergency Medicine!**

This is an online program that you can take on your own time.

Watch over the shoulder of one of our physicians, nurse practitioners, or PAs as they go bedside in the ED to assess and diagnose a simulated patient. Each video is followed-up by a series of questions posed to the student and then a summary by

the physician. A short quiz on the topic addressed finalizes each class. These videos are **free** and if so desired, after successfully completing all five modules with a 100% score, students can apply for a Certificate of Completion from the University of Colorado School of Medicine for a \$50 fee (covering our costs of producing the videos).

Epicenter Newsletter Interns

“Epicenter-NYC and related newsletters are seeking interns for Summer 2021. We are looking for interns who can write, edit, shoot video, livestream, grow audience,

distribute on social platforms or generally innovate new methods of community journalism. You get to work with patient but demanding editors who are vested in you and your success. Apply at: hello@epicenter-nyc.com

Students who speak a language besides English (especially Spanish and Bangla) are strongly encouraged to apply.

Unpaid, prefer students get credit. However, we can offer a \$500 stipend for the summer if you cannot get credit.

Location: Remote/virtual with some street reporting, possible meetings

Duties: Intern would report for niche newsletters trying to grow their audience.

Fact-checking, finding examples or data, smart aggregation, handling social media accounts, brainstorming campaigns to both market to and engage users.

Our products are:

[Epicenter-NYC](#) - A weekly newsletter for New Yorkers to get through the pandemic and build a tighter community in the process. We also are producing livestreams and have a podcast in the works. We are content sharing with the Haitian Times and Documented NY. Our vaccine efforts have been featured on WNYC, Vice, the NY Post.

[The Unmuted](#) -- A weekly newsletter to help families with pandemic-era learning. We translate the mayor's pressers, showcase best workstations for kids crammed around one table, and do Q/A's on navigating this moment. We would love students to write for us.

[The Escape Home](#) -- A weekly newsletter focused on the second-home market and people making "staycation" homes. Lists of products, data and beautiful pics of homes and lakefronts and beachfronts. We are content sharing with Marketwatch. Great chance for professional clips.

Eligible: All students

Dates: June - August

If you are selected for or enroll in any of the above opportunities, please inform Mr. Blumm ASAP at: hblumm@stuy.edu

Whichever extra-curricular program, internship, or community service activity a student may participate in, they should be sure to ask their supervisor/coordinator to write a letter of appreciation before it concludes – it is sometimes very difficult to obtain this later on. And the more personal & detailed the letter, the better. A copy should then be submitted to your counselor.

Please feel free to contact Harvey Blumm at hblumm@stuy.edu with any questions or feedback on any items in this message, or with any suggestions or concerns you may have. **And always feel free to share any information about opportunities that may be of interest to our parents, teachers, or students**
