We welcome blended learners back to Stuyvesant today, Monday, March 22, 2021! We're excited to see them! Families of blended learners received [instructions on returning](#). Seat assignments are on Talos. The Chancellor announced a possible blended opt-in for middle and high schools in April. We will update families as soon as information is available. Keep your eye on our [Return to School 2021 page](#) on [www.stuy.edu](#).

We have community building activities planned throughout the week for our returning students and while our remote instruction model continues, pods have been reorganized by free periods and PE classes to afford as much free time to socialize and engage with other students as possible. Each week a schedule will be released with activities students can join. It's been a team effort with counselors, administrators and all are looking forward to spending time in-person! [See some of our plans for this week here](#). **A special day of activity is planned for the half day, Friday, 3/26** with no new assignments and no synchronous classes! Specifics will be forthcoming.

There will be heightened NYPD presence in the area in light of recent events and school safety has been in conversations with school administration and NYPD. We stand with our new Chancellor, Meisha Porter in [her statement last week](#), "there is no room for racism or discrimination of any kind at the DOE or any NYC Schools". View more Resources from the DOE and Mayor's Office on the Blog on [#StopAsianHate!](#) If you haven't, please continue to check the links throughout the month and in [Mr. Colon's Newsletter](#) as well. Don't forget all month long is our [Women's History Month Celebration](#). We have celebrated 15 amazing women so far; 10 have been Stuy Alumnae, and last week we shared three amazing Asian American Stuy Alumnae and their accomplishments. This week, we will honor contributions made by Asian American and Pacific Islander women throughout history and their inspiring stories. Today we celebrate **Dr. Chien-Shiung Wu**. Learn about her and others on the [Blog](#) everyday.

Juniors taking the SAT on March 24 received room assignments and details, and will receive a reminder. Those scheduled for April 13 or April 27 have the special exclusive opportunity to take [prep classes provided by Kweller Prep](#). Students may sign up using the google link for the two sessions preceding their test date administration only. These are full length proctored SAT tests (without essay) and review sessions.

[Parent Teacher conferences](#) take place on **Thursday, March 25 and Friday, March 26**. Families that made requests for phone calls by the deadline will receive their list of appointments on March 22 via email. Flag that email or print - it cannot be posted in Talos. [Report cards](#) will be emailed on March 24 to students and families.

During Parent Teacher Conference Times, [families may stop in to the Librarians' Zoom](#) to learn about Resources from the Library. Drop in Thursday, March 25 between 5:30-8pm and/or Friday, March 26 between 1-3pm.

This week, [Office Hours for Parents](#) at the regular time of 2:30pm will take place on **Monday 3/22** and **Wednesday, 3/24**.
*SPECIAL NOTE: **During Parent Teacher Conferences, the Zoom link will remain open** for any parent to join, Thursday, 3/25 5:30-8pm and Friday, 1-3pm.

The [AP Exam payment portal](#) opened on March 15. **Payments may be made through April 2, 2021**. The [AP Exam Schedule](#) is posted on the [Stuyvesant school website](#) as well as the [Talos Blog](#). There is a [Frequently Asked Questions](#) document for AP Exams that will be updated as questions are answered.

We held an important conversation on March 9 about **Mental Health and Wellness** at Stuyvesant at our monthly **Safety Meeting**, which was open to the community. If you were not able to see it live, please [catch the recording](#) and [presentation slides](#) at the links highlighted. Ms. Chock-Goldman, Mr. Colon and Ms. Kornhauser joined administrators in presenting. If you missed the [Wellness Night](#) on Mental Health During COVID-19: How To Make Sense of the Science, with Dr. Mullarkey and the PStuychology Club, [watch it here](#). **The SLT Meeting** will be held on **Tuesday, March 23** at 5pm. [Register here for the webinar](#).

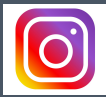

CALENDAR - 2020-2021

You can access **Stuyvesant's calendar of events** on www.stuy.edu. You may download the **DOE 2020-2021 Calendar** and import the dates to your calendar [HERE](#) or print a copy of the DOE calendar [HERE](#). Below is a list for the remainder of the Fall Term.
