While today is the first day back to blended learning for *elementary* schools in New York City, all middle and high school students will continue fully remote learning until further notice. The Chancellor and Mayor released [NEW Blended Learning Guidance](#) mandating COVID testing for all students returning to school buildings as well as staff members. Families may submit consent using a parents' NYCSA account at [mystudent.nyc](https://mystudent.nyc) or the [updated paper consent form](#). There are instructional videos and information on how to consent in your account [here](#). Email [ringram3@schools.nyc.gov](mailto:ringram3@schools.nyc.gov) for assistance with NYCSA accounts. A printable PDF file is available in ten languages at [schools.nyc.gov/covidtesting](https://schools.nyc.gov/covidtesting). **Students who do not submit consent will be transitioned to remote only learning.**

The deadline for **CR requests** for passing grades from Spring 2019-2020 and Summer School was November 30. Going Forward, requests entered via parent Talos accounts for CR grades should ONLY be for **resolved NX** grades. That deadline is March 1, 2021. [Follow instructions to file a request.](#)
