This weekly bulletin informs students, parents, and staff about internships, academic programs, jobs, community service options, and leadership initiatives, along with other student opportunities in a variety of fields. Please carefully note deadlines, age requirements, and other pre-requisites for participation.

For ease of use, these newsletters are organized by different categories, such as Academic Programs, Business Internships & Jobs, STEM Opportunities, Community Service, and so on.

Questions, suggestions, and information about other opportunities are always welcome and appreciated, and may be sent to Internship/Opportunity Coordinator

Harvey Blumm at: [hblumm@stuy.edu](mailto:hblumm@stuy.edu) - we will share your helpful information with the Stuy community!

There are many excellent opportunities in this issue - including several highlighted below. Remember that it is fine to apply to and be accepted by several different programs – students can then just pick the one(s) that are the best fit and decline the others (in a timely way).

And please note that many programs have approaching application deadlines!

**EVENTS:** All students may attend the in-person Community Board 14 **Youth Programs Summer Fair** on March 6<sup>th</sup> – the focus is on programs for that borough, but some citywide options will be represented as well. And the **Latin College Expo** event at NYU on March 14<sup>th</sup> is open to all (juniors are especially encouraged to attend); various college representatives and college-support programs will be there.

**BUSINESS/JOBS:** The non-profit **NYC Exploring** program welcomes all students to participate in their wide variety of free after-school sessions visiting the offices of major companies, including the fields of engineering, medicine, law, business, and more. Students get to meet professionals who can discuss career pathways, college majors, internships, and other related topics. Some are scheduled for next week – check them out! And the application deadline for the **NYC Summer Youth Employment Program (SYEP)** has been extended to March 15<sup>th</sup>.

**LEADERSHIP/LAW/GOVERNMENT:** The **Summer Justice Institute** is a free one-week program at the federal courthouse that provides an up-close look at various components of the legal system to current 9<sup>th</sup>, 10<sup>th</sup>, and 11<sup>th</sup> graders.

**Democracy Scholars** is a free summer residential program at NYU which engages rising seniors in a three-week experience of working with other students & professors on social issues, along with guidance on college admissions. This support continues on an occasional basis in senior year – participants work together throughout the program. It's open to all applicants; first-generation students are encouraged to apply.

STEM: All students may apply for the free in-person introductory **Spring Break Game Design Lab**, offered from April 23-25. The **Simons-NYU Summer Science Exploration** three-week program is open to all current 10<sup>th</sup>, 11<sup>th</sup>, and 12<sup>th</sup> grade students (those from under-represented groups are encouraged to apply). Participants delve into physical and biological science topics, with support from NYU faculty. The **Maimonides Hospital Women in Science** summer program for current students who identify as female is an excellent opportunity to meet and learn from medical researchers, surgeons, and other clinicians. Current sophomores and older students (16 and up) from Manhattan, Staten Island, and the Bronx may apply to one of the two free **Student Health Internship Programs** (SHIP) – participants spend six weeks interacting with medical professionals. And the **Perry Initiative** (for female-identifying students in the 10<sup>th</sup> grade or above) offers another in-person event on Saturday, May 4<sup>th</sup> at the NYU Langone Medical Center in Manhattan. Interested students should apply ASAP.

SCHOLARSHIPS: Our ever-supportive **Alumni Association** welcomes applications for their wide variety of **40+ scholarships** for graduating seniors (and one for a current junior). These awards are open only to Stuy students – be sure to check the link to learn more!

## Bike New York Volunteering

“When you teach a person how to ride a bike, or how to make biking a part of their daily routine, it isn’t just the student’s life that changes. Our volunteers remark time and again on the profundity of witnessing the aha moment when a new biker really gets it, when a recreational rider realizes that a bicycle is much more than a toy, or when a long-time cyclist finally learns how to fix their bike. Volunteer at a Bike New York class and be a part of someone’s aha moment.”

### **Savannah College of Art & Design Pre-College Summer Programs**

“SCAD offers pre-college programs during the summer and throughout the year for high school students of all ages to pursue art and design disciplines while working alongside peers from all over the world — and offers ideal opportunities for artists at all levels to create, learn, and grow.

- **SCAD Rising Star:** This challenging five-week program awards college credit to rising high school seniors who are ready for a university experience. Students enroll in two college-level classes and have the opportunity to build or enhance their portfolios.
- **SCAD Summer Seminars:** Students gain valuable experience while developing their creativity through exciting art and design projects. Workshops may include demonstrations, lectures, studio work, and local field trips, and are taught by SCAD professors, alumni, or select graduate students. Organized daily social and cultural activities create an authentic experience of life as a student at SCAD.
- **Joint Enrollment:** Students can take up to two online courses per quarter and receive five credit hours for each successfully completed course. Credits may be applied to an eventual degree at SCAD. Available courses span a variety of creative areas of interest, from advertising to drawing to digital communications and camera technique.”

*Eligible:* Current freshmen, sophomores, and juniors

### **Rose Hulman Institute of Technology Summer STEM Programs**

“Make Summer 2024 the best ever by designing, building, problem-solving, experimenting, and having a blast at (or with) Rose-Hulman, one of the country's leading STEM institutions. Hear more about our opportunities, see some of our world-

class facilities, and learn more about one of the best STEM schools in the country where your students could call home this summer.”

### **1 - Rose Power**

“If you are a high school girl with an interest in science, math, and engineering and want to build your technical skills, Rose Power is a perfect fit. You’ll work in Rose-Hulman’s innovation centers under the guidance of our faculty and students. By the end of the week, there won’t be a tool or machine you haven’t conquered. This camp will empower you to build any widget or gadget you can imagine.”

**Eligible:** Current freshmen who identify as a woman

**Dates:** June 16 - 21 **OR** June 23 - 28

**Location:** Rose-Hulman Institute of Technology, Terre Haute, Indiana

**Cost:** \$1,550

***New: Priority Deadline Approaching: Kode With Klossy***

All female students are invited to engage in online coding and other computer science activities over the summer. Students may choose among three camp programs - building a website, mobile applications, or data visualization & building. A series of two-week programs are offered, beginning June 6. No prior knowledge is necessary.

***Eligible:*** Students who identify as female, gender-nonconforming, & trans students

***Dates:*** Various (two-week sessions from June - August)

***Locations:*** Virtual and in-person locations available

***Cost:*** Free

***Application Deadline:*** March 18 (priority deadline)

***Link:*** <https://www.kodewithklossy.com/apply>

***New: Spring Break Game Design Lab***

“The Spring Break Game Design Lab is a free 3-day camp for high school students to get started on the gaming pathway. You will learn about game design theory (what

makes a game fun), come up with your own game ideas, and create digital art, characters, animations, music and narrative for your game idea. We'll even introduce you to coding. No prior experience required! Lunch, materials & 2-way Metrocards will be provided.”

**Eligible:** All students: Priority will be given to students who attend schools or who live near the Bronx, Harlem or Upper Manhattan, but all students can apply.

**Dates:** April 23 – 25 (10am – 4pm)

**Location:** Urban Arts, 39 West 19 Street, Manhattan

### **New: Cooper Union Summer STEM 2024 Program**

“Summer STEM is an opportunity to try engineering for the first time or to dive deeper into engineering teamwork. Each 3- or 6-week class covers college-level topics and activities completed by The Cooper Union undergraduates in their first or second year or explores student and faculty research projects. This selective program encourages all curious, compassionate, and college-interested students to apply regardless of prior experience. Available classes include: Intro to Engineering, Sustainable Futures, Digital Electronics for the Inventor, Design and Drawing for Engineering, and Linear Algebra for Engineering Research.”

**Eligible:** All students

**Dates:** July - August 2024 (Monday - Thursday, 9:00 AM - 3:00 PM EST)

**Location:** The Cooper Union (41 Union Square, Manhattan)

**Cost:** \$1,950 - \$3,950 (Financial Aid Available)

**Application Deadline:** March 27

### **Updated: TryEngineering Summer Institute Program**

“Innovative design challenges, along with exciting field trips, personalized instruction, weekend activities, and advice from industry guest speakers, make the TryEngineering Summer Institute a program like no other.

TESI gives students ages 13-17 the opportunity to explore a variety of engineering disciplines in a fun, hands-on way. The program is ideal for students who are considering a degree or career in engineering, as well as for those that are curious to learn more. Whether your teen is brand new to engineering, or has taken a few classes in school, every student will have fun tackling a variety of engineering design challenges while developing skills in engineering, communication, and consensus-building. The program is designed by IEEE STEM summer specialists specifically for our TryEngineering Summer Institute.

Scholarships offer financial assistance to students interested in attending the TryEngineering Summer Institute. Awards for 50% - 100% of the full tuition cost may be offered to accepted students.”

**Eligible:** All students

**Locations:** University of Pennsylvania, Rice University, UC San Diego

**Application Deadline:** March 31

**NYU Tandon School of Engineering Summer Pre-College Programs**

“NYU Tandon offers a wide variety of STEM-focused programs for high school students. The competitive free programs for local students provide unique opportunities for in-depth STEM studies and range from Applied Research Innovations in Science and Engineering (ARISE), Computer Science for Cyber Security (CS4CS), Innovation, Entrepreneurship and the Science of Smart Cities (ieSoSc). The fee-based programs are Design, Invent & Innovate (DII), Immersive Summer Interacting with Technology and Engineering (I-SITE), Machine Learning

(ML), Computer Engineering for Good (CE4G), Programs in Digital Design and Media (UX and XR), and Automation, Robotics, Coding (SPARC).”

**Eligible:** All students

**Dates:** Various

**Location:** MetroTech Center in Brooklyn

**Application Deadline:** **March 6** (ARISE), **April 14** (CS4CS andieSoSC), **April 20** (ML), **May 1** (SPARC), **May 10** (DII, CE4G, I-SITE, and UX and XR)

### ***Deadline Approaching: The Yale Summer Program in Astrophysics (YSPA)***

“YSPA is a research program in which students spend two weeks virtually learning skills in astronomy and programming. Then, they are invited to the Yale campus for four weeks to develop a complex astrophysics modeling project. Students gain skills in physics, math, astronomy, programming, data visualization, and data science.

Members of underrepresented groups in STEM are encouraged to apply

***Eligible:*** Current juniors

***Dates:*** June 24 – July 5 (online) & July 7 – August 4 (residential)

***Location:*** Hybrid (two weeks virtual & four weeks residential on the Yale campus)

***Cost:*** TBD (limited need-based financial aid available)

## **UCLA Game Lab High School Summer Institute 2024**

“The UCLA Game Lab Summer Institute introduces high school students to game-making as a form of artistic practice, teaching them the techniques and tools that will help them develop analog and digital games that reflect their creative voice and vision. Students in the program develop a solid aesthetic and technical foundation in various aspects of game design—but just as importantly, they begin learning how to express their own, personal ideas through game-making and game art. By the end of the two weeks, students will have created complete games or game assets in each of the four classes and earn four units of pass/no pass UC credit. No previous game-making skills are required.”

***Eligible:*** All students with at least a 3.2 GPA

***Dates:*** July 8 - 19 (Virtual), July 21 - August 3 (In-Person), **OR** August 4 -17 (In-Person)

***Location:*** Virtual **OR** In-Person at the University of California, Los Angeles

***Cost:*** \$4,920

***Application Deadline:*** **June 1**

**New: *Deadline Approaching:* CDC Museum Disease Detective Camp**

“The Centers for Disease Control Disease Detective Camp is a free one-week summer public health program. Students will learn the fundamentals of CDC’s work: the field of public health and the science of epidemiology. The camp does not have a medical treatment focus. While we do briefly discuss the pathology of some diseases, most of the time is spent focused on the collection and analysis of data and the use of that data to improve people’s health. The camp also covers the many different career options available within public health.”

**Eligible:** All current sophomores and juniors who will be 16 by the start of camp

**Dates:** June 24 – 28 OR July 22 - 26

**Location:** CDC campus (Atlanta, Georgia)

**Cost:** Free (housing and transportation not provided)

### **New: Maimonides Medical Center Women in Science Program**

“The program provides a unique opportunity for qualified female applicants to intern in the hospital under the guidance of an assigned physician and experience life as a surgeon. The program’s objective is to inspire young women by providing a hands-on learning experience, during which the students will be paired with a mentor, who will provide one-on-one guidance to the students; be assigned their own research projects, leading to a presentation upon completion of the program; assist surgeons in an outpatient setting, learning more about direct patient experience; join surgeons in the operating room to view firsthand the process of surgery; use the simulation equipment to “operate” on a patient; join resident-led lectures and discussions; read and discuss articles written by female surgeons and about female surgeons.”

**Eligible:** Current juniors who identify as female

**Dates:** Summer 2024

**Location:** Maimonides Medical Center (4802 Tenth Avenue, Brooklyn)

**Cost:** Free

**Application Deadline:** **March 28**

### ***Deadline Approaching:* Icahn School of Medicine High School Summer Program**

"At the Icahn Center for Excellence in Youth Education (CEYE), we help more than 200 students each year from grade seven through college prepare for careers in science and health care. As a unit of Mount Sinai Health System's Office for Diversity and Inclusion, CEYE operates a range of school-year and summer programs geared to youth belonging to groups that are low-income or underrepresented in medicine."

**1 - Introduction to Bioinformatics Course** is a course designed to teach high school students the basic concepts of cellular and molecular biology, genomic science, and computer programming.

**2 - Medical and Scientific Exploration** is an online course designed to guide students through different laboratories or clinical departments within the Mount Sinai Health System through the real world application of scientific concepts.

**3 - The Internship Placement Programs** are programs designed to expose rising seniors to various careers in the scientific and medical field. **The Hospital Placement Program** gives students exposure to health careers while enhancing their basic science knowledge and research skills. **The Veterinary Sciences Program** is designed to expose students to the veterinary sciences in a biomedical research environment.

**The DR MMEN** is a program designed to promote career advancement in the medical field for underrepresented communities.

**Eligible:** All students who identify as an underrepresented minority (African American, Latino, Native American, or Alaskan American) **or** meet low-income economic criteria.

For the DR MMEN program you must identify as an African American or Latino male and be a current junior.

**Dates:** July 1 – August 9

**Location:** Mostly virtual (Introduction to Bioinformatics & Medical and Scientific Exploration); In-person (All Internship Placement Programs)

**Cost:** Free

***One Deadline Approaching: International Young Researchers' Conference  
Medicine and Research Summer Program***

“The Medicine and Research Summer Program hosted by the Columbia University Vagelos College of Physician and Surgeons (VP&S) is a 9-week summer program featuring physicians, researchers, and medical students at Columbia University who teach about diverse topics of medicine. Students will learn how to take a patient history, interview several standardized patients, engage in ethical discussions, and study human anatomy. In addition, students will learn research methods for finding sources, analyzing data, and writing a manuscript. This summer features an additional Brain Intensive focused on Neurology, Neurosurgery, and Psychiatry where students will learn about anatomy, diagnoses, and patient experiences.”

**Eligible:** All students

**Dates:** June 8 - August 24 (10:30 AM - 1:00 PM EST)

**Location:** Virtual

**Cost:** \$450 - \$800 (depending on the deadline; financial aid available)

## Scholarships:

### **General List of Available Scholarships via Fastweb**

<https://www.fastweb.com/college-scholarships/articles/scholarships-for-high-school-seniors>

### **Stuyvesant Alumni Association Scholarships**

The Stuyvesant Alumni Association awards more than 40 scholarships totaling more than \$100,000. These scholarships are available only to Stuyvesant seniors. (There is one scholarship available to juniors, The Carol and Theodore Lerner Award for Creativity).

Some answers to common questions on the FAFSA/providing financial information:

- If the students have already provided their colleges with the CSS Profile, they can submit that form in lieu of the FAFSA, but only if they did not submit a FAFSA.
- If the student never filed either the CSS or FAFSA because they are not a citizen or legal permanent resident, they should be sure to state it's because they are not a citizen or legal permanent resident in the "Financial aid information" question on the application. All information submitted by the students in their application is kept to the strictest confidentiality. All of the staff and any scholarship committee members, as well as any other additional parties who read the scholarship applications, must sign and adhere to a confidentiality agreement.
- Students must provide the financial information listed in the checklist in some form, even if they submit a one-page doc with all of it listed out.

If you have any questions, please email [alumni@shsaa.org](mailto:alumni@shsaa.org).

***Eligible:*** All Seniors (one scholarship is available to juniors)

If you are selected for or enroll in any of the above opportunities, please inform Mr. Blumm ASAP at: [hblumm@stuy.edu](mailto:hblumm@stuy.edu)

Whichever extra-curricular program, internship, or community service activity a student may participate in, they should be sure to ask their supervisor/coordinator to write a letter of appreciation before it concludes – it is sometimes very difficult to obtain this later on. And the more personal & detailed the letter, the better. A copy should then be submitted to your counselor.

Please feel free to contact Harvey Blumm at [hblumm@stuy.edu](mailto:hblumm@stuy.edu) with any questions or feedback on any items in this message, or with any suggestions or concerns you may

have. **And always feel free to share any information about opportunities that may be of interest to our parents, teachers, or students.**
