This weekly bulletin informs students, parents, and staff about internships, academic programs, jobs, leadership & community service initiatives, and other student opportunities in a variety of fields. Please carefully note deadlines, age requirements, and other pre-requisites for participation.

For ease of use, these newsletters are organized by different categories, such as Academic Programs, Business Internships & Jobs, STEM Opportunities, Community Service, and so on.

These various opportunities utilize different formats. Some are in-person, some remote, and some will involve a hybrid arrangement. Check each program for their specific format and schedule. Students should consider applying to any that match their interests and talents.

Here are several programs of note; some have upcoming deadlines:

EVENTS: CUNY's City Tech is offering a **Career Fair** on November 9<sup>th</sup> (12-3).

The **New York Hall of Science** welcomes all students to their upcoming (11/14) virtual event focused on innovations in aviation & aeronautics.

And, for students interested in law, **Apex for Youth** offers a virtual presentation by the **Manhattan District Attorney's** office – it is scheduled for 11/21.

ACADEMICS: The **STEM Institute at City College** in Manhattan welcomes all students to apply for their free Saturday morning STEM-focused program.

The **Baruch College STEM Research Academy** takes place during the spring term, and may lead to a summer research program as well. It is open to current 10<sup>th</sup> and 11<sup>th</sup> graders.

MUSEUMS/ART: There are two free art & architecture short programs offered for the February and April school breaks –from the **Museum of Arts and Design** (both vacation weeks-all students may apply) and the **Center for Architecture** (February week-for 10<sup>th</sup> and 11th graders).

Questions, suggestions, and information about other opportunities are always welcome and appreciated, and may be sent to Internship/Opportunity Coordinator Harvey Blumm at: [hblumm@stuy.edu](mailto:hblumm@stuy.edu) - we will share your helpful information with the Stuy community!

**Updated: Deadline Approaching: Modeling the Future Challenge**

“The Modeling the Future Challenge is a real-world competition for high school students interested in actuarial research. Teams conduct an actuarial research project

in which they make recommendations to companies, organizations, government agencies, or other groups based on their own mathematical models, real-world data analysis, and risk management. The top research teams are brought to the national MTFC Symposium to present their work for a shot at being one of four teams who share an award of \$60,000.

The Climate Resilience Award tasks students to analyze climate-related risks in a community or region and develop actionable strategies to mitigate or manage these risks. Teams wishing to compete for the Climate Resilience Award will submit a special addendum to their main MTFC project report. This addendum will include responses to several implementation-related prompts, explaining how their ideas could be transformed from analysis to real-world action.”

**Eligible:** High school students in the United States who are taking junior or senior level mathematics classes such as statistics, probability, pre-calc, calculus or other similar high-level math classes.

**Working Papers:** Some jobs, internships, and programs do require students 14-17 years old to obtain working papers (official name: employment certificates). The

necessary application form may be obtained from Mr. Myles Sebastien (who can explain the procedure and answer any questions) in the Stuyvesant Guidance Office (Room 236) between 8:00am – 3:30pm.

If you are selected for or enroll in any of the above opportunities, please inform Mr. Blumm ASAP at: [hblumm@stuy.edu](mailto:hblumm@stuy.edu)

Whichever extra-curricular program, internship, or community service activity a student may participate in, they should be sure to ask their supervisor/coordinator to write a letter of appreciation before it concludes – it is sometimes very difficult to obtain this later on. And the more personal & detailed the letter, the better. A copy should then be submitted to your counselor.

Please feel free to contact Harvey Blumm at [hblumm@stuy.edu](mailto:hblumm@stuy.edu) with any questions or feedback on any items in this message, or with any suggestions or concerns you may have. **And always feel free to share any information about opportunities that may be of interest to our parents, teachers, or students.**
