Stuyvesant Student Opportunity Bulletin #18S

January 15, 2021

Please note that in this **"Short"** version of the Student Opportunity Bulletin, only the *New* and *Deadline Approaching* opportunities in each category are included.

For the list of **all** the opportunities in each category, you may click & open the **"Long"** version of the Student Opportunity document you received.

CATEGORY TABLE OF CONTENTS:

(**Download this entire PDF document** in order to use the following links to jump to your area(s) of interest)

This week's edition includes several new interesting opportunities.
In the Community Service section, check out the special one-day events scheduled in celebration of next week's **Martin Luther King holiday**. For gamers, you may register for the free **Games for Change Game Jam** on January 23 (in the Events section). Paid & volunteer positions at the **Bronx Zoo and other local zoos and the Brooklyn Aquarium** can be explored at the WCS Opportunity Fair on Sunday, February 6 – check the Events section to learn more.

Students interested in Business should definitely check out the excellent **Futures & Options** programs, which could lead to paid summer internships.

And in the Leadership category, there are two new highlighted opportunities – the **Miss CEO Leadership Lab** for female students, and the **Young Lawyers Connection** for any students with an interest in the law. Please start exploring these and applying to whichever fit your interests & talents – the students who end up with the best options are usually those who focus in January & February – **please do not procrastinate!!** All students and parents are always welcome to contact Harvey Blumm at hblumm@stuy.edu for advice & assistance.

For ease of use, these newsletters are organized by different categories, such as Academic Programs, Business & Jobs, Community Service, and so on.
 New items always will be listed first in every category, followed by those with approaching deadlines (*Deadline Approaching*).

Questions, suggestions, and information about other opportunities are always welcome and appreciated, and may be sent to Internship Coordinator Harvey Blumm at: hblumm@stuy.edu - we will share your helpful information with the Stuy community!

Events:

New: Event Approaching: **Girls Write Now Friday Night Salons**

Business & Jobs

New: **Futures & Options Business Skills Programs**

Futures and Options offers two programs for high school students**. Career Essentials** is a free online program that offers an introduction to basic business skills and is open to all students. It meets after school once per week, for thirteen weeks in the spring term. Students will learn to develop their business and professional skills, including guidance with resumes, interview & communication skills, workplace etiquette, and more.

Their **Paid Internship Program** is open to current juniors & seniors, and provides them with firsthand work experience with a dynamic range of NYC business partners. **Interns must be able to work 10 – 15 hours per week** after school in paid, mentored internships that best match their skills & interests. Their placements may lead to paid summer spots with their spring term employers.

Please contact Shakina Kirton at skirton@futuresandoptions.org or call (212) 601-0002 with any questions about either program.

Eligible: **Career Essentials**: All students; **Internship Program**: Juniors & seniors

Dates: Spring 2020

Application Deadline: <u>**January 29**</u>

Application Deadline: Rolling Basis

Links: https://www.citymeals.org/get-involved

https://www.citymeals.org/get-involved/volunteer-application

The **MinKwon Center for Community Political Action** is looking for **translators** for community outreach. Students who speak a language other than English and would like to volunteer will receive community service hours. Send an email including your first name, last name, and other language you speak to volunteer@minkwon.org.

"We will be calling people to ask whether or not they are registered to vote and to encourage them to vote for the upcoming special elections on February 2nd, 2021.

Each night, we will be making calls in different languages to reach out to voters about Ranked Choice Voting and helping them make a voting plan for the special election! **The languages that we are wanting to make calls in are Korean, Chinese, Spanish, Urdu, Hindi, and Bangla.**

Some of the neighborhoods in District 24 are Fresh Meadows, Kew Garden Hills, Jamaica, and Briarwood. We strongly encourage you to join as this means a lot for your neighborhood!

If you are interested and want to join, please send an email to volunteer@minkwon.org with the language you speak and the days you are available!"

Eligible: All Students

Application Deadline: ASAP

Leadership/College Prep/Government/Law/Cultural/Programs

New: Deadline Approaching: The **Miss CEO Leadership Lab** is a four-week online leadership course developed and led by Stanford University students & faculty. It is designed to help students "build valuable leadership skills, connect with inspiring mentors, and establish a long lasting community." Participants will interact with "influential female leaders, Stanford faculty, and mentors."

Eligible: All female students

Dates: **January 25 – February 20**

Application Deadline: Rolling Basis

https://docs.google.com/forms/d/e/1FAIpQLSf-v1LIaqh2rn3LeSH-0EnIPV2tkrzDtbjtnvQTXDo6w55mPA/viewform

New: **Virtual Encampment for Youth**

"Our virtual summer immersion program is a true experience in democracy, where young people who would otherwise never meet:

- form a self-governing community;
- learn to think critically about pressing social and political issues that affect their communities and our world as a whole; and
- take action.

- Get a deeper perspective on social justice issues.
- Meet activists and civic leaders.
- Learn more about how your community works and how you can make change where you are.
- Participate in a multicultural community of peers from across the nation who will share their communities with you.
- Use arts to express your perspective on social justice concerns.
- Receive four months of follow-up support to develop an action plan.

Participants will learn and practice the powerful strategies of critical thinking, action planning, and using creativity and the arts in working for social justice."

Eligible: All students 15-18 years old

Dates: **July 5 – July 28** (Mondays-Fridays)

Application Deadline: <u>**March 1**</u>

Cost: $50 - $2,000: Sliding Scale based on family income – financial aid available

New: The **Program in Algorithmic and Combinatorial Thinking (PACT)** is a virtual summer program consisting of guest lectures & discussions that introduce students to various topics in theoretical computer science, discrete mathematics and algorithms, computer science, and more.

"The program teaches students about the mathematics and algorithms fundamental to the computer science field. Many summer programs teach high school students programming and application development, but this five-week intensive course is one of very few with a theoretical and proof-based emphasis. The only requirements to participate are high school algebra, the willingness to work hard and be challenged, and, above all, the desire to learn."

Eligible: All 10th, 11th, and 12th graders

Dates: June 28 – July 30

Application Deadline: <u>**March 5**</u>

Cost: $1,500 – limited financial support available

Links: https://applypact.com/apply/4

https://algorithmicthinking.org/

New: The **Art of Problem Solving Online School** offers a selection of math and computer science courses. The math courses cover different levels of difficulty and there are seminars that specifically target the AMC. Spots are limited and students should register soon.

Eligible: All Students

Dates: Various

Application Deadline: Rolling Basis

Cost: $340 - $759 (including books)

Medical/Life Sciences

New: **Summer Neuroscience Program at Rockefeller University**

This is a selective summer neuroscience program for high school students (16 and older). It includes classroom sessions and hands-on projects. Motivated, mature, and inquisitive applicants are encouraged to apply.

"The Summer Neuroscience Program (SNP) at The Rockefeller University is a two-week course aimed at introducing talented NYC public high school students to the brain. Led by graduate students, the program takes a look at the most current research in neuroscience in an effort to understand how our brain works and how it relates to our daily life. In addition to the series of highly interactive lectures, students present fun and fascinating journal articles to their classmates. Students also visit research laboratories, dissect brains, and design and conduct neuroscience experiments."

Eligible: Students who are 16 or older by August 16

Dates: **August 16 – 27**

Location: TBA

Application Deadline: **March 21**

Links: http://www.rockefeller.edu/outreach/snp

https://www.rockefeller.edu/outreach/snp/summer-neuroscience-program-snp-faqs/

Deadline Approaching: The **Health Profession Recruitment and Exposure Program (HPREP)** is "an outreach program designed to provide high school students with the opportunity to interact with medical students, faculty, and other health professionals." Learn more and apply below:

Eligible: Focused on students from under-represented groups, but all may apply

Dates: January 30, February 6 & 20, March 14 &28, April 4 & 25, and May 1 (Tentative)

Location: Virtual

Application Deadline: **January 15**

Cost: Free

Deadline Approaching: **Biomedical Engineering Innovations Online Course**

"This Johns Hopkins University Biomedical Engineering Innovation is a fully online course that introduces biomedical engineering to high school students by (1) modeling biological systems and designing experiments to test those models and (2) introducing engineering principles to solve design problems that are biological, physiological, and/or medical.

Students will model human efficiency and the cardiovascular system. Students are expected to use the informational content being taught in math, physics and biology and to apply this knowledge to the solution of practical problems encountered in biomedical engineering.

You will learn about Biomedical Engineering from experts in the field through lectures, assignments, and hands-on design projects."

Eligible: Preference to juniors & seniors, and 10th-graders who have completed Algebra II

Dates: **January 25 – April 23**

Application Deadline: Rolling basis

Cost: Approximately $3,300 – some financial aid may be available

Link: https://ei.jhu.edu/biomedical-online/

_____

Resume & cover letter templates for basic student resumes may be accessed at the following links:

http://jobsearch.about.com/od/resumesandcoverletters/l/blhighschool2.htm
http://jobsearch.about.com/od/resumetemplates/a/templatehs.htm

If you are selected for or enroll in any of the above opportunities, please inform Mr. Blumm ASAP at: hblumm@stuy.edu

Whichever extra-curricular program, internship, or community service activity a student may participate in, they should be sure to ask their supervisor/coordinator to write a letter of appreciation before it concludes – it is sometimes very difficult to obtain this later on. And the more personal & detailed the letter, the better. A copy should then be submitted to your counselor.

Please feel free to contact Harvey Blumm at hblumm@stuy.edu with any questions or feedback on any items in this message, or with any suggestions or concerns you may have. **And always feel free to share any information about opportunities that may be of interest to our parents, teachers, or students**
