(**Download this entire PDF document** in order to use the following links to jump to your area(s) of interest)

This edition includes some new events & opportunities in most of the sections below– **some have deadlines coming up in the next week or two- so please explore them ASAP**.

For example:

--In the EVENTS section, there is a free virtual **STEM Night on Saturday, June 5**, offered by the NY Hall of Science – all students may learn about opportunities

& careers in STEM. And the **BeTech Video Gaming event** for current seniors will allow participants to learn about the storytelling aspects of video game creation – with a $25 stipend included!

--In the BUSINESS/JOBS section, there are a few spots for paid summer positions offered by **Global Kids,** along with unpaid internships for current seniors. The **Virtual Internship Prep program** offers valuable business skills, and the deadline for the paid summer **Pentacle Internship Preparation Program** is also approaching! And all students can check out the "**Summer Camp Jobs"** item, which has a link for several camps seeking summer employees.

--In the COMMUNITY SERVICE section, there is a new tutoring opportunity with **Project Inspire** (the first item listed in that category), and new opportunities with the innovative **Multiplying Good** organization,  the **Museum of Mathematics** in Manhattan, and more.

--In the LEADERSHIP/GOVERNMENT section, St. Francis College in Brooklyn offers their excellent low-cost summer **College Admissions Readiness Institute**. The **Repair the World** program welcomes all applicants – their deadline is Tuesday, June 8! And the **STOP AAPI Hate summer program** offers a cash stipend to its participants.

--In the ART section, the Japan Society now offers a low-cost virtual Manga class for the summer.
--In the THEATER/WRITING/PERFORMING ARTS section, today (Friday, June 4th) is the deadline to apply for the **Downtown Community TV/Video Summer**

**Media Fellows Program**. Also, the **Sound Thinking Program** about careers in the Music industry has an upcoming Monday, June 7 application deadline.

--And in the <u>STEM</u> section, seniors may apply to the **Kalos Mentorship Program** to obtain young career professionals to help them move forward with their STEM college & career goals. All students may apply for the free virtual **IYRC/Columbia Global Health & Biomedical Research summer program.**

Please apply to whichever programs fit your interests & talents **ASAP!**  All students and parents are always welcome to contact Harvey Blumm at hblumm@stuy.edu for advice & assistance.

For ease of use, these newsletters are organized by different categories, such as Academic Programs, Business & Jobs, Community Service, and so on.
 *New* items always will be listed first in every category, followed by those with approaching deadlines (*Deadline Approaching*).

Questions, suggestions, and information about other opportunities are always welcome and appreciated, and may be sent to Internship Coordinator Harvey Blumm at: hblumm@stuy.edu - we will share your helpful information with the Stuy community!

### ONE Lab Summer Studio of Environmentally-Focused Design

**"ONE Lab is** a summer enrichment program that lets high school students explore the nexus between environmental concerns and creative / design practices, including sustainable fashion, architecture, and bio design. ONE Lab is a project of Terreform ONE, a non-profit think-and-do-tank dedicated to fighting environmental degradation through innovative creative technology.

Students may apply to two-week online courses (4 sessions, June - August) in:

- Sustainable Fashion & Materials
- Architecture & the Environment
- Bio Design & Engineering

ONE Lab Summer Studio is online for 2021, allowing us to broaden the scope in lecturers, tours and projects beyond our NYC base. We also make sure students have off-screen time: they do supervised work with our Studio in a Box at their home workspace as well as outside project-related work. Our hours allow students from all across the continental US, Canada & Latin America to participate.

This program is creatively and intellectually stimulating, giving teens the chance to be proactive on climate concerns, introducing them to like-minded peers along with world-renowned design and climate experts, and jumpstarting their road to college and career exploration. They leave with a student evaluation and design portfolio, all great material for college applications.

Visit [onelab.org](onelab.org) for details on every aspect of the program

- Sign up for [one-on-one appointments](one-on-one appointments) with our admissions team
- Contact [info@onelab.org](info@onelab.org) with any further questions

If you are selected for or enroll in any of the above opportunities, please inform Mr. Blumm ASAP at: hblumm@stuy.edu

Whichever extra-curricular program, internship, or community service activity a student may participate in, they should be sure to ask their supervisor/coordinator to write a letter of appreciation before it concludes – it is sometimes very difficult to obtain this later on. And the more personal & detailed the letter, the better. A copy should then be submitted to your counselor.

Please feel free to contact Harvey Blumm at hblumm@stuy.edu  with any questions or feedback on any items in this message, or with any suggestions or concerns you may have. **And always feel free to share any information about opportunities that may be of interest to our parents, teachers, or students**
