### **StandOut Search - Direct Connect High School Internship Program**

“StandOut Connect is a program founded at The University of Chicago that matches high school students with paid internships. Most high school students find internships through personal connections, but not everyone has a family friend in a field that

interests them. That’s why we created a program that matches high school students with companies founded by top university alumni that have previously only accepted high school interns from within their personal network. Now, instead of applying to competitive state programs, you can connect directly with unique companies in fields that excite you.”

If you are selected for or enroll in any of the above opportunities, please inform Mr. Blumm ASAP at: [hblumm@stuy.edu](mailto:hblumm@stuy.edu)

Whichever extra-curricular program, internship, or community service activity a student may participate in, they should be sure to ask their supervisor/coordinator to write a letter of appreciation before it concludes – it is sometimes very difficult to obtain this later on. And the more personal & detailed the letter, the better. A copy should then be submitted to your counselor.

Please feel free to contact Harvey Blumm at [hblumm@stuy.edu](mailto:hblumm@stuy.edu) with any questions or feedback on any items in this message, or with any suggestions or concerns you may have. **And always feel free to share any information about opportunities that may be of interest to our parents, teachers, or students.**
