Stuyvesant Student Opportunity Bulletin #25L

March 11, 2022

Please note that in this **"Long"** version of the Student Opportunity Bulletin, **all** opportunities in each category are included.

For the list of only the *New* and *Deadline Approaching* opportunities in each category, you may click & open the **"Short"** version of the Student Opportunity document you received.

CATEGORY TABLE OF CONTENTS:

(**Download this entire PDF document** in order to use the following links to jump to your area(s) of interest)

There are numerous free virtual & in-person 'one-off' events for high school students that focus on specific topics or fields, such as STEM, Environmental Science, Art, Careers, college admissions, and more. In addition to the interesting workshop presentations & content, these provide excellent networking opportunities for students to follow up & connect with experts & professionals in their areas of interest.

Some upcoming events focus on **Marine & Environmental Science College/Career Information** (tomorrow, Saturday, March 12th!), an **Internship Prep Workshop** (3/16), **free teen gallery tours at MOMA** (3/16), **Engineering & Computer Science events for female students** (3/26 & 4/9), and **college admissions/financial aid sessions** (3/23 and 3/29).

And keep in mind that the citywide **Summer Youth Employment Project** (SYEP) application has been posted online (see BUSINESS section for details). This program is open to all high school students, and provides paid opportunities in a wide variety of settings. Students are selected by lottery, but they must apply & select specific 'providers.' Most students should consider applying even if they apply to other programs– just in case their other options don't work out.

Here are some other highlights for this week:

---In the STEM section, the free **Goals for Girls Summer STEM Program** for current 9th-grade female students has extended their deadline to March 21st. The **Columbia University Engineering the Next Generation** (ENG) summer program welcomes applications from current juniors, with a March 21st application deadline. And female students may also apply to the free **Kode with Klossy** computer science program.

For ease of use, these newsletters are organized by different categories, such as Academic Programs, Business & Jobs, Community Service, and so on. *New* items always will be listed first in every category, followed by those with approaching deadlines (*Deadline Approaching*).

As always, students and parents should feel free to contact Harvey Blumm for advice & assistance at: hblumm@stuy.edu

Questions, suggestions, and information about other opportunities are always welcome and appreciated, and may be sent to Internship/Opportunity

Coordinator Harvey Blumm at: hblumm@stuy.edu - we will share your helpful information with the Stuy community!

National Labor Relations Board Student Ambassador Program

"The National Labor Relations Board is a federal agency that enforces the National Labor Relations Act. Through the NLRB's **Student Ambassador Program**, students will get to engage with NLRB attorneys and investigators, and will learn about the rights of workers and the responsibilities of employers and unions. Students will complete a learning phase and then students will get the opportunity to create a public facing project that the NLRB will help shape and promote. Each student will be assigned an attorney or investigator as a mentor for the public facing project.

Examples of a public facing project can be an article in a student or local newspaper or a presentation with an NLRB representative in a class or conference. This Program is a wonderful opportunity for students to develop familiarity with the law, law enforcement, and federal agencies. Equally as important, students will get the chance to create a project centered on what they have learned. They will develop their project skills, use their creativity, and step forward as leaders. At the end of the Program, they will receive a Certificate of Accomplishment."

Eligible: Current sophomores, juniors, and seniors

Dates:

<u>Learning Phase</u>: **July 18 to July 27, 2022**. Mondays, Tuesdays, and Wednesdays, 5 p.m. to 6:30 p.m. (hours may be adjusted to accommodate all participants)

New York Road Runners Run for the Future Program

"…Through our educational and fitness sessions, our participants develop an understanding of the connection between physical activity and self-care. Topics include nutrition, mental wellness, body image, and self-awareness. NYRR staff and women leaders from our community of donors and partners lead interactive, informative educational sessions that provide a safe space and rich learning experience for our young women.

Participants receive a MetroCard for in-person practices, New Balance uniforms and sneakers, healthy snacks, and a wellness kit to support their running and fitness needs during the season. At the conclusion of the program, the new runners participate in their first 5K (3.1-mile) race. Those who maintain an 80% attendance rate during practice sessions and participate in the 5K race will receive a **$500 wellness grant** to be used to invest in their personal health and self-care needs."

Eligible: Female juniors and seniors

Dates: Three morning (8:00-10:00am) sessions a week from July 6 to August 20

Location: Virtual and in-person in Central Park

If you are selected for or enroll in any of the above opportunities, please inform Mr. Blumm ASAP at: hblumm@stuy.edu

Whichever extra-curricular program, internship, or community service activity a student may participate in, they should be sure to ask their supervisor/coordinator to write a letter of appreciation before it concludes – it is sometimes very difficult to obtain this later on. And the more personal & detailed the letter, the better. A copy should then be submitted to your counselor.

Please feel free to contact Harvey Blumm at hblumm@stuy.edu with any questions or feedback on any items in this message, or with any suggestions or concerns you may have. **And always feel free to share any information about opportunities that may be of interest to our parents, teachers, or students**
