This weekly bulletin informs students, parents, and staff about internships, academic programs, jobs, community service options, and leadership initiatives, along with other student opportunities in a variety of fields. Please carefully note deadlines, age requirements, and other pre-requisites for participation.

Some program deadlines are fast approaching – please do not miss them!

For ease of use, these newsletters are organized by different categories, such as Academic Programs, Business Internships & Jobs, STEM Opportunities, Community Service, and so on.

Questions, suggestions, and information about other opportunities are always welcome and appreciated, and may be sent to Internship/Opportunity Coordinator Harvey Blumm at: hblumm@stuy.edu - we will share your helpful information with the Stuy community!

There are many excellent opportunities in this issue - including several highlighted below.

ACADEMICS: Stem Research Academies are free science-focused programs offered by several CUNY campuses during the spring and summer terms. Baruch's program is open to 10th and 11th graders (application deadline: 12/1) and City Tech's is open to 10th, 11th, and 12th grade students (12/22 deadline).

BUSINESS: The **NYC Exploring** careers program welcomes students from all grades to their series of free after-school sessions with professionals from a variety of fields, including medicine, business, engineering, law, and more.

COMMUNITY SERVICE: All students may apply to help with this virtual tutoring service, founded by Stuy alumna (and Olympic fencer) Nzingha Prescod. Evening and weekend slots are available.

MUSEUMS/ART: The **Museum of Arts & Design** offers two low-cost week-long programs during the February and April vacation breaks – excellent for students interested in museums and art. And the **Discover Architecture** February break program is also accepting applications – spots are limited!

THEATER/WRITING: The **Scholastic Art & Writing Awards** and the **Penguin Random House** competitions are open to all student submissions. For those with an interest in Japan & Japanese culture, the **JCSB Essay Contest** is now live. And the **SONY World Photography Youth Competition** welcomes photo submissions as well!

Events of Interest to Students:

Community Service

New: PISTE Fencing Academy Tutors

The Prescod Institute for Sport, Teamwork, and Education (PISTE) Fencing Academy (PISTE) is a 501(c)(3) nonprofit community fencing program and learning center that provides free, high-quality virtual tutoring opportunities to our students via strategic partnerships that include Stuyvesant High School.

PISTE Afterschool Tutoring - We are in need of Tutors to support our afterschool tutoring program focused on academic support, advanced learning, and standardized test prep (State Exams, Independent School and Specialized High School Exams). Our tutoring sessions happen Monday-Friday. We can also accommodate weekend availability if a Tutee and Tutor can find time that works. Sessions are virtual (via our own PISTE Virtual Meeting Room). Each PISTE tutor is matched with a PISTE Tutee they meet with for 1 full hour per session, 2 times per week.

Your efforts will support improved academic and standardized testing performance for students who would not otherwise be able to receive tutoring support. You can help 1st –through 9th graders achieve their potential!

Updated: **[Rockefeller University RockEDU Science Outreach Programs](#)**

“RockEDU Science Outreach is hosting a program combined into an after-school and summer research experience. The LAB Jumpstart Program takes place across two phases. The first phase is the LAB Jumpstart Program which will take place after school in the Spring term and the second phase is the Summer Science Research Program (SSRP) which will take place during the summer. The program is designed to

promote the development of scientific thinking and research skills through a variety of talks, workshops, and individual mentorship.”

1 – Rockefeller University LAB Jumpstart Program

“LAB Jumpstart is designed to provide high school students, from disadvantaged backgrounds, with an opportunity to conduct hands-on research under the mentorship of leading scientific researchers at one of the world's premier biomedical research facilities. Students will be encouraged to develop and ask questions pertaining to scientific research, gain exposure to research skills and primary literature, and connect with dedicated scientist-mentors at The Rockefeller University. Each student is paired with a LAB Jumpstart Advocate — a practicing scientist who can provide educational and professional support beyond academic courses and discussions.”

Eligible: Open to all current juniors and seniors who are at least 16 years old (by start of program); those with limited access to STEM opportunities are encouraged to apply

Dates: February 29 – June 13 (Tuesdays & Thursdays, 4:30 - 7:00 PM)

Location: The Rockefeller University (1230 York Avenue, Manhattan)

Cost: Free

Application Deadline: **January 5** (applications) & **January 8** (recommendations)

2 – Rockefeller University Summer Science Research Program (SSRP)

“Students accepted into the SSRP mentored bioresearch program will participate in their own research project as part of a themed research track (i.e. RNA bioinformatics or fly behavior). Each track will consist of 8-12 SSRP students led by a RockEDU

Fellow and their facilitation team of Track Scientists. RockEDU Fellows and Track Scientists are members of the Rockefeller scientific community who will guide students through their research projects through foundational lectures and skills-building activities.

Students will also attend a weekly suite of core lectures, which include talks from Rockefeller scientists and discussions of the styles of scientific reasoning, ethical practices in science, careers in science, and other topics.” The program includes a MetroCard for transportation and applications for stipends.

Eligible: Current juniors and seniors who are at least 16 years old at program start

If you are selected for or enroll in any of the above opportunities, please inform Mr. Blumm ASAP at: hblumm@stuy.edu

Whichever extra-curricular program, internship, or community service activity a student may participate in, they should be sure to ask their supervisor/coordinator to write a letter of appreciation before it concludes – it is sometimes very difficult to obtain this later on. And the more personal & detailed the letter, the better. A copy should then be submitted to your counselor.

Please feel free to contact Harvey Blumm at hblumm@stuy.edu with any questions or feedback on any items in this message, or with any suggestions or concerns you may have. **And always feel free to share any information about opportunities that may be of interest to our parents, teachers, or students.**
