Stuyvesant Student Opportunity Bulletin #21S

February 4, 2022

Please note that in this **"Short"** version of the Student Opportunity Bulletin, only the *New* and *Deadline Approaching* opportunities in each category are included.

For the list of **all** the opportunities in each category, you may click & open the **"Long"** version of the Student Opportunity document you received.

CATEGORY TABLE OF CONTENTS:

(**Download this entire PDF document** in order to use the following links to jump to your area(s) of interest)

Here are some highlights for this week:

---In the EVENTS section, registration for the **Pre-college Engineering Day** in March ends on 2/11. And the **Chat With a Scientist Sustainable Fashion** discussion with an F.I.T. professor of chemical physics is scheduled for 2/10.

---In the BUSINESS section, tomorrow – Saturday, 2/5, is the **NYC Wildlife Conservation Virtual Jobs/Volunteer Fair** for summer spots at all their parks.

---In the GOVERNMENT/LAW section, applications are now open for 10th, 11th, and 12th graders for the **Manhattan District Attorney Internship Summer Program**.

---In the PARKS/NATURE category, all students may apply for spring & summer **Discovery Guide Volunteer** spots at local zoos & the Aquarium – the deadline to do so is **February 9th**!

---And there are several excellent options in the STEM/BIOLOGY/MEDICAL section, including the **Student Health Internship Program** (for those 16 & older who live in Manhattan or Staten Island), the **Scripps Research Institute** summer research residential program in California (also for those 16 & older), the virtual **miRcore Computational Biology Program**, which combines a genetic approach to disease treatment with AI techniques, and the **March Health Professions Weeks** virtual presentations on many different areas of Healthcare.

For ease of use, these newsletters are organized by different categories, such as Academic Programs, Business & Jobs, Community Service, and so on. *New* items always will be listed first in every category, followed by those with approaching deadlines (*Deadline Approaching*).

As always, students and parents should feel free to contact Harvey Blumm for advice & assistance at: hblumm@stuy.edu

Questions, suggestions, and information about other opportunities are always welcome and appreciated, and may be sent to Internship/Opportunity

Coordinator Harvey Blumm at: hblumm@stuy.edu - we will share your helpful information with the Stuy community!

Events:

Updated: Event Approaching:

NACAC Virtual College Fairs

NACAC allows students to attend as many fairs as they wish with varying topics. Certain college fairs focus on areas of interest such as STEM or Performing & Visual Arts or will focus on geographic location. Learn more about which colleges are presenting at each fair below:

Eligible: All Students

Upcoming Dates: **Tuesday, February 8**, February 15, February 24, April 3

Application Deadline: **Rolling Basis**

Cost: Free

Link: https://www.nacacattend.org/fairs

New: Event Approaching: Chat with a Scientist: Sustainable Fashion

"The New York Academy of Sciences invites students to register for our **Chat with a Scientist** series. This free virtual event series spotlights the diversity of STEM professionals and their careers and creates a casual space where youth can engage with and learn from real scientists. The next session will feature Dr. Theanne Schiros, an Associate Professor at the Fashion Institute of Technology, who will talk about her work studying chemical physics and how science is important to the future of sustainable fashion."

Eligible: All students

Date: **Thursday, February 10** (5:00-6:00pm)

Location: Virtual

Application Deadline: **Rolling Basis**

Cost: Free

Links: https://events.nyas.org/event/35c5510a-c2bf-42ba-b81a-a45bba74bf97/websitePage:ec87c9fd-1053-492b-bb87-26ea59bac751?tm=lhJrEoZnFCpV9Z5Y9XKzebPlMQ0EHpcL-H4PvSlWEfQ&locale=en-US https://events.nyas.org/event/35c5510a-c2bf-42ba-b81a-a45bba74bf97/regProcessStep1?tm=lhJrEoZnFCpV9Z5Y9XKzebPlMQ0EHpcL-H4PvSlWEfQ&locale=en-US

New: Deadline Extended/Approaching:

Pre-college Engineering Day (PCED)

"PCED is a wonderful opportunity to show students about the wonderful opportunities they can pursue within the STEM fields! We will have lab tours, workshops, and engineering competitions for students to engage and develop an interest in STEM. We will be working on the workings of a circuit featuring Tinkercad! Tinkercad is a beginner friendly Computer-Aided Design (CAD) software, which will help students pursuing a career in Engineering build a familiarity with different softwares and its real world applications. The project that we will be teaching to your students is perfect for students wanting to learn more about hardware engineering."

Eligible: All students

Date: March 19

Location: Virtual

Cost: Free

New Application Deadline: **February 11**

Link: https://forms.gle/VqgFZrykLqdaHC99A

New: **Girls Write Now Friday Night Salons**

"All students are welcome to view these free regular weekly get-togethers with successful writers. Past sessions are also available to view online. The next

session, just before Valentine's Day, is '**Love (Poetry) Galore – Writing Love Poems'**

Eligible: All students

Dates: **February 11** (and following Friday nights from 6 to 7:15 pm)

Location: Virtual

Cost: Free

*Application Deadline***:** Rolling Basis

Links: https://girlswritenow.org/event/feb11salon/

https://www.tfaforms.com/4938457?CID=7018X000001lfrB

New: **TGR Foundation College and Career Workshops**

TGR Foundation offers three informational sessions on the following topics:

- Pathways to Higher Education: Undocumented & DACA Students (recorded)
- 2022 Virtual Scholarship App Marathon (not recorded)
- The Importance of Banking and Financial Planning (not recorded)

Eligible: All students

Dates: February 16, 22, and 24; 6:30 and 7:00 pm

Location: Virtual

Cost: Free

Link: https://www.eventbrite.com/o/tgr-foundation-17028194782

New: **CU SWE Engineering Exploration Experience**

"Columbia University's Society of Womxn Engineers (CU SWE) will be hosting its 10th annual virtual Engineering Exploration Experience (EEE) and invites womxn-identifying students in grades 9-12 to our event! Participants will have the chance to participate in a design challenge mentored by a

Columbia engineering student, attend a hands-on small group seminar with Columbia researchers, and hear talks from incredible female faculty members."

Eligible: All womxn-identifying students

Date: **Saturday, March 26** (9:00am – 3:00pm)

Location: Virtual

Application Deadline: **Rolling basis**

Cost: Free

Link: https://www.eventbrite.com/e/swes-engineering-exploration-experience-2022-tickets-221155250307

New: **Girls with Grit 2022 Conference**
"Teen entrepreneur Charlotte Wasserman and her team invite students to join us for a morning of learning and empowerment where we will embark on the building blocks of GRIT (G for guts and having courage, R for resilience, I for learning to manage Imperfection and T for developing a supportive Team)."
Eligible: All female students
Date: March 8
Location: Virtual
Cost: Free
*Application Deadline***: Rolling basis**
Links: https://www.itsagirlslife.org/upcoming-events
https://www.itsagirlslife.org/event-details/girls-with-grit

Deadline Approaching: **STEM in Our World**
"Join us on Zoom to participate in engaging and fun conversations and presentations about how STEM influences our everyday lives in medicine and

other areas! Hear from museum staff and guest speakers in this interactive forum."

Eligible: All students

Date: **February 12**

Location: Virtual

Cost: Free

*Application Deadline***: Rolling basis**

[RETURN TO TOP](#)

Academic Programs:

New: University of Maryland Eastern Shore Geosciences Program

"The Geosciences Bridge Program offers a 6-week paid internship for students planning to pursue careers in the geosciences. The program includes lectures, field trips, hands-on activities, two for-credit college courses, housing, meals, travel to and from the University of Maryland Eastern Shore (UMES), and a stipend.

The program introduces high school seniors to ocean sciences, atmospheric sciences, and geographic information systems (GIS)/Remote Sensing techniques. The activities provided and experience on campus strengthen students' knowledge of mathematics, teach them life skills that will prepare them for college life, and enhance their academic performance through advisement, social support, and tutorial services."

Eligibility: Graduating seniors with a minimum 2.7 GPA

Dates: TBA

Location: Princess Anne, Maryland

Cost: Free - housing and a stipend is provided

Deadline: TBA

Links: https://www.umes.edu/Geosciences/Pages/About/

https://www.umes.edu/Geosciences/Pages/FAQ/

New: **Tufts University Summer Pre-college Programs**

"At Tufts, our Pre-College Programs offer ambitious high school students the opportunity to learn from renowned faculty and experience a rigorous academic environment at a leading higher education institution, including the Entrepreneurship & Innovation Bootcamp, the Tufts Summer Accelerator, Courses at Tufts for High Schoolers, Tufts College Experience, Tufts Summer Research Experience, Climate Resilience Institute, Coding 101, Engineering Design Lab, Engineering Investigations, International Relations, Leadership for Social Change, Mini-Med School, SMFA Graphic Design Bootcamp, and SMFA Studio Art."

Eligible: Rising sophomores, juniors, seniors, and recent graduates (rising sophomores are limited to Pre-College Lecture Courses and SMFA courses and workshops)

Dates: Various (July – August)

Location: In-person and virtual options available

Cost: Various $2,000 - $5,000 – some financial aid is available

*Application Deadline***: May 1**

Links: https://universitycollege.tufts.edu/high-school

https://universitycollege.tufts.edu/high-school/faqs

New: **Brown University Pre-College Programs**

"Brown University allows high school students the opportunity to get a feel for college life by experiencing college-level academics while exploring a unique subject area of interest."

Through Summer@Brown, students will be able to "explore new paths with the choice of over 200 non-credit courses."

Through the **Brown Leadership Institute**, students will be able to "increase their abilities and effectiveness in advancing social justice."

Through the **Brown Environmental Leadership Lab** program at various locations, students will "embark on a journey of learning and reflection while building community with fellow student environmentalists."

Through the Location-Based programs, students will be able to "immerse themselves in foreign languages and cultures while studying at partner universities."

Through the **STEM for Rising 9th and 10th Graders** program, students will "advance their knowledge of the STEM disciplines while completing hands-on team research projects, experiments, and design-build challenges."

Through the Pre-Baccalaureate program, "rising and recently graduated high school seniors will take on the rigors of credit-bearing, undergraduate study."

Eligible: Current freshmen have limited options (such as the STEM program), sophomores (generally limited to Summer@Brown, the Leadership Institute, and the Brown Environmental Leadership Labs), juniors, and seniors

Dates: Various (June – August)

Locations: In-person and virtual options available

Costs: Various ($2,500 - $14,000); some financial aid is available

*Application Deadline***: May 20 (Regular Admission)**

Links: https://precollege.brown.edu/programs

https://precollege.brown.edu/apply

For a list of spring & summer course offerings from other (mostly private) colleges, check the link below – some begin soon!:

https://docs.google.com/document/d/1eGSAm3Ja1bs4Ex3Pe--5oikVKY5o1tfa/edit?usp=sharing&ouid=101556942762799823370&rtpof=true&sd=true

First Event Approaching: **Center For Architecture Design Discovery Series**

"Design Discovery's Spring 2022 series focuses on building fundamental architectural design skills. Each workshop highlights a different core lesson to help high school students explore architecture and hone skills for portfolio development. The workshops offered are Architectural Perspective Drawing, Plan and Elevation Drawing, Architectural Model Making, & Architectural Sketching."

Eligible: All students

*Dates***: Saturday, February 5, March 5, April 2, & May 7**

*Location***:** In-person and virtual

*Cost***:** $60 per session (need-based scholarships available)

*Application Deadline***: Rolling basis**

*Link***:** https://www.centerforarchitecture.org/k-12/teen-programs/design-discovery/

Event Approaching: **MoMath Expansions Classes**

"Featuring programs for mathematically gifted students enrolled in 1st through 12th grades, Expansions workshops are designed and delivered by MoMath's educational team to illuminate the wonders of mathematics, challenge and inspire students, and broaden their mathematical horizons. With topics ranging from fractals to cellular automata, these afternoon classes provide an opportunity for participants to learn advanced and fascinating topics not included in the standard K-12 curriculum. Plus, participants can benefit from

enjoying math together with small groups of talented and focused young scholars."

Eligible: All students

Dates: **February 8 – June 2**

Location: In-person (proof of vaccination required)

Cost: $850 per semester (scholarships available for low-income students)

*Application Deadline***: Rolling basis**

Links: https://momath.org/home/expansions/

https://momath.org/civicrm/?page=CiviCRM&q=civicrm%2Fevent%2Fregister&id=6697&reset=1

Some Deadlines Approaching: **Carnegie Mellon Pre-College Programs**

"Students may apply for various programs, including: Artificial Intelligence, Architecture, Art, Computational Biology, Design, Drama, the National High School Game Academy, Music, and Writing & Culture. Recordings of the virtual information sessions in which program directors describe the application process and online student experience are available below.

Computer Science Scholars, AI4All, and the Summer Academy for Math and Science are open to under-represented, low-income, first-generation college, and students raised in homes in which English was a second language."

Eligible: All sophomores and juniors

Dates: Summer 2022

Location: In-person at Carnegie Mellon University, Pittsburgh

Cost: Varying, with some cost-free programs for under-represented & low-income students; financial aid may be available

Application Deadline: **February 9** (Early decision)

Links: https://www.cmu.edu/pre-college/index.html

https://www.cmu.edu/pre-college/cost-financial-aid/index.html

Scholarship Deadline Approaching: **Pre-College Programs at Barnard College: Business, Coding, and Leadership Programs**

"This summer, we will be offering some fantastic new and enhanced offerings, including **Kode with Klossy Powered by Barnard**, our signature three-week **Young Women's Leadership Institute** and **Athena Summer Innovation Institute**, as well as a seven-week (for-credit) **Pre-Baccalaureate Program**. Students will have unique opportunities to delve into an area of interest on a deeper level through both in-class discussions and city exploration in everything from entrepreneurship to STEM."

Eligible: Rising female sophomores, juniors, and seniors (for summer programs) & rising juniors, seniors, and gap year students (for Pre-Baccalaureate and Kode for Klossy)

Dates: Various

Location: In-person (residential and commuter)

Cost: Various ($6,788 - $13,124) (need-based scholarships available)

***Application Deadline*: February 11 (for scholarships) & April 15 (deadline)**

Deadlines Approaching:

Wildlife Conservation Society Virtual Job/Volunteer Fair

"Have you ever wanted to get involved at the Wildlife Conservation Society (WCS)? If so, register to attend our virtual Youth J.I.V.E (Job, Internship, and Volunteering Expo). J.I.V.E attendees will have the opportunity to attend professional development workshops and career panels. You will also learn about all of the paid and unpaid positions available for youth (ages 14-26) at the **Bronx Zoo, Central Park Zoo, Prospect Park Zoo, Queens Zoo, and New York Aquarium**. Volunteer positions are available to youth 14+, paid jobs are available to youth 16+"

Eligible: All students

Date: <u>**Saturday, February 5**</u>

Location: Virtual

Cost: Free

*Application Deadline***: Rolling basis**

Link: https://www.eventbrite.com/e/wcs-virtual-youth-jive-job-internship-volunteering-expo-registration-236213309367

Early Deadline Approaching: Economics for Leaders

"Economics for Leaders (EFL) is a selective summer program that teaches student leaders how to integrate economics into the process of decision-making in an interactive learning environment. The goal of EFL is to give promising students the skills to be more effective leaders and to teach them how to employ economic analysis when considering difficult public policy choices. This course focuses on the introduction and application of economic concepts and economic reasoning skills and introduces students to leadership theory."

Eligible: Current sophomores & juniors

Dates: Various (June - August)

Location: In-person and virtual options available

Cost: $2,000 for in-person programs and $800 for virtual programs (scholarships available)

Application Deadline: **February 9 (Early Deadline** - $200 tuition discount**), March 16 (Priority Deadline** - $100 tuition discount**), & April 13 (Final Deadline)**

Links: https://www.fte.org/students/economics-for-leaders-program/
https://www.fte.org/students/2022-program-sites-and-dates/

Deadline Approaching: **Futures and Options** offers excellent business-oriented programs for all grades:

Students may apply to their **Internship Program** for paid internships with a New York City business, non-profit organization, or government agency as well as career readiness workshops. Tasks include answering phones, PowerPoint preparation, and managing social media accounts. Students may work for 10-12 hours per week for 12 weeks during the school year and/or 25-30 hours per week for six weeks during the summer.

Eligible: Internship Program: Students 16 and older

Dates: Spring semester and summer

Cost: Free

Location: Virtual

Application Deadline: **Internship Program: February 11 (Final Deadline)**

Links:

https://www.tinyurl.com/YVoteApp

National Labor Relations Board Student Ambassador Program

"The National Labor Relations Board is a federal agency that enforces the National Labor Relations Act. Through the NLRB's **Student Ambassador Program**, students will get to engage with NLRB attorneys and investigators, and will learn about the rights of workers and the responsibilities of employers and unions. Students will complete a learning phase and then students will get the opportunity to create a public facing project that the NLRB will help shape and promote. Each student will be assigned an attorney or investigator as a mentor for the public facing project.

Examples of a public facing project can be an article in a student or local newspaper or a presentation with an NLRB representative in a class or conference. This Program is a wonderful opportunity for students to develop familiarity with the law, law enforcement, and federal agencies. Equally as important, students will get the chance to create a project centered on what they have learned. They will develop their project skills, use their creativity, and step forward as leaders. At the end of the Program, they will receive a Certificate of Accomplishment."

Eligible: Current sophomores, juniors, and seniors

Dates:

<u>Learning Phase</u>: **July 18 to July 27, 2022**. Mondays, Tuesdays, and Wednesdays, 5 p.m. to 6:30 p.m. (hours may be adjusted to accommodate all participants)
<u>Project Phase</u>: To be implemented during Stuyvesant High School's **Fall, 2022 semester.**

Location: Zoom, with the possibility of visits to the Manhattan Regional Office located at 26 Federal Plaza in Manhattan

Cost: Free

*Application Deadline***:** <u>April 14, 2022</u>: Submit a statement of interest in no more than 1,000 words to the National Labor Relations Board's Student Ambassador Program, which must include name, grade level at Stuyvesant HS, email, and cell phone number. Submit it to: Teresa Poor, Assistant Regional Director, teresa.poor@nlrb.gov AND to Joane Wong, Senior Attorney, joane.wong@nlrb.gov

Museums, Art, Photography:

Deadline Approaching: Saturday Sketching Classes at the Met

All students between 12-18 years old are welcome to register for free Saturday drawing sessions led by museum teachers at the Metropolitan Museum of Art. This is an opportunity to develop artistic skills and/or build an art portfolio surrounded by great works of art – no special skill/expertise required. Classes will be conducted at the Museum

Eligible: All students: proof of vaccination required

Next Date: **Saturday, February 12** (1:00-3:00pm)

Location: Metropolitan Museum, 1000 5ᵗʰ Avenue, Manhattan

Application Deadline: **Rolling Basis**

Cost: Free

Link: https://engage.metmuseum.org/events/education/met-creates/saturday-sketching/saturday-sketching-12-18/

Deadline Approaching: Teen Reviewers and Critics (TRaC)

"Teen Reviewers and Critics has a place for anyone and everyone. We offer writing workshops in the visual arts, music, theater, dance, media, multi-arts

and film. Students will be able to attend performances, meet arts-industry professionals, visit galleries and professional

offices, publishing their experiences on the online blog (*The JAR*), produce media content, and more."

Eligible: All students

Dates: Weekly Events from February 26 - May 7 (4:30 - 6:30)

Location: In-person and virtual

New Application Deadline: **February 14**

Cost: Free

Parks/Nature:

New: **Spring 2022 Discovery Guide Youth Volunteer Program**

"As a Discovery Guide, you will educate zoo visitors about conservation and wildlife, while gaining experience in teaching, leadership, and public speaking. You will also share stories about our conservation programs and inspire children and adults to take actions that benefit wildlife and the environment."

Eligible: All students who are at least 14 years old

Dates: Various weekend days from April – June

Locations: In-person at the various Wildlife Conservation Society Zoos and at the Aquarium

Cost: Free

Application Deadline: **Wednesday, February 9**

Links: https://forms.gle/f1e5mUS3i8caGgYc8

Deadline Approaching:

 Wildlife Conservation Society Virtual Job/Volunteer Fair

"Have you ever wanted to get involved at the Wildlife Conservation Society (WCS)? If so, register to attend our virtual Youth J.I.V.E (Job, Internship, and Volunteering Expo). J.I.V.E attendees will have the opportunity to attend professional development workshops and career panels. You will also learn about all of the paid and unpaid positions available for youth (ages 14-26) at the **Bronx Zoo, Central Park Zoo, Prospect Park Zoo, Queens Zoo, and New York Aquarium**. Volunteer positions are available to youth 14+, paid jobs are available to youth 16+"

Eligible: All students

Date: **February 5**

Location: Virtual

Cost: Free

*Application Deadline***: Rolling basis**

Stem Opportunities:

New: **The Genesis Invitational STEM Kids Club**

"The Genesis Golf Invitational offers affiliated free education programs and STEM resources year-round. Students can participate in interactive experiences through the virtual Kids Club, now live.

The TGR Learning Lab section of the website below includes activities **in robotics, space exploration, college preparation, and more.**

Eligible: All students

Dates: Golf tournament takes place Feb 14 – 17

Location: Resources available online

Application Deadline: **Rolling basis**

Cost: Free

Links: https://genesisinvitational.com/kidsclub/

https://genesisinvitational.com/kidsclub/#tgrf

New: STEMM Prep Project

"Our target populations have been

those racial **minority** groups underrepresented in the STEM arena: African Americans, Mexican Americans, Native Hawaiians, Puerto Ricans and Native Americans."

"Students begin our training program as early as the seventh grade and continue through college while rotating during summers through our collaborating institutions' basic science, engineering and technology labs. DLC STEMM Prep Project offers year-round mentorship, counseling, and advising with our monthly teleconference meetings. We also offer a mid-school year 11th grade retreat focusing on choosing the right college and creating a positive peer network."

Eligible: All students; preference to under-represented groups

Dates: June 3 – August 2 (8 weeks)

Location: Freshmen and sophomores: University of Pennsylvania

Juniors: University of Washington

Seniors: University of Texas-Southwestern and University of Washington

Application Deadline: **March 31**

Cost: $5,500 (Need based financial aid can cover up to the full price of the program)

Links: http://thedistancelearningcenter.org/

http://thedistancelearningcenter.org/application-process/

https://www.ssat.org/ (SSAT scores are required to apply; be sure to have them ready before the deadline. This year, at-home online tests are available for the beginning of February and March)

Information Session Approaching:

GOALS for Girls STEM Summer Intensive Program Information Session

"The Intrepid Museum is offering a free six-week program for girls currently in eighth or ninth grade. Throughout the summer program, GOALS students engage in unique STEM experiments and projects at the Museum, sharpen public-speaking skills by presenting to fellow students, collaborate with peers from across New York City, visit various STEM organizations in the five boroughs, and learn about careers in STEM fields from women who will share their personal professional journeys." An information session is scheduled for **Saturday, February 5th.**

Eligible: All female ninth-graders

Dates: July 11 – August 19

Location: In-person

Cost: Free

*Application Deadline***: March 14**: **Information Session: February 5** (11:00am)

New: **EngineerGirl Ambassador**

"An EngineerGirl Ambassador designs, develops, and implements a project in her local community that will encourage upper elementary or middle school girls to think about engineering and engineering careers."

Eligible: All female students

Application Deadline: __March 15__

Links: https://www.engineergirl.org/128630/become-an-ambassador
https://www.engineergirl.org/128386/ambassador-application-form

New: AI4ALL Summer Programs

This artificial intelligence program is offered remotely at various colleges throughout the country (including Columbia University, Stanford, Carnegie Mellon, and others). Students will be "immersed in hands-on learning, mentorship by top AI practitioners, and supportive peer networks at top universities." Specific program eligibility, dates, and format (remote, hybrid, in-person) vary by program location.

Eligible: Eligible grade levels vary by program location. All programs provide preference for students from under-represented groups (**including, in some cases, females & first-generation to attend college & those with demonstrated financial need**) – **but all may apply**.

Dates: Various: For Columbia & Stanford: June 27 – July 15

Location: Various – some programs in-person, some virtual

Application Deadlines: **Various: __March 31__ for Columbia**

Cost: Various: From no cost (Columbia, Carnegie Mellon) to $6,000 (Princeton) – significant financial aid available to eligible applicants

Links: https://ai-4-all.org/summer-programs/

https://ai4all.socialwork.columbia.edu/

https://www.cmu.edu/pre-college/academic-programs/ai4all-at-carnegie-mellon.html

New: Mathily

"Mathily is a rigorous summer program for mathematically talented students. Students will explore various undergraduate and graduate-level mathematics in classes led by a mathematician with a Ph.D. and mathematics students. There will also be discussions about college choices, a session on career possibilities, and more."

Eligible: All Students

Dates: July - August (five weeks)

Location: TBA

Application Deadline: **April 26**

Cost: $2,150 - 4,950 (depending on whether it is online or in-person) – need-based financial aid available

Links: http://www.mathily.org/

http://www.mathily.org/facts.html

http://www.mathily.org/app.html

New: Blue Stamp Engineering Classes

"Join us for a hands-on engineering summer camp for high school students who want to build, design and create technology projects which they get to keep! Past projects include omnidirectional robots, smart gardens, CNC drawing machines, and self-driving cars! Each student selects and builds their own individual projects and develops a personal online portfolio that details their journey."

Eligible: 9-12th grade students

Dates: June 13 - July 1 or July 5 - July 22 or July 25 - August 12 (All half days)

Application Deadline: **April 29**

Cost: Varies depending on length the student chooses. **Financial aid and payment plans available to qualifying students.**

Links: bluestampengineering.com

Cooper Union STEM Saturdays Virtual Reality Program

"STEM Saturday Students develop design, engineering and entrepreneurial skills as they create "Technology for Good" to solve a current or emerging problem or opportunity for their community.

In this session students will collaborate on world-building in VR to solve problems within The Cooper Union and New York City communities. Students will also work on developing their engineering network and planning for college and career through workshops with Cooper Union staff and alumni and engineering professionals from technology and engineering companies. Each session ends with a celebration and student showcase highlighting progress made towards developing skills and addressing community needs."

Eligible: All current freshmen, sophomores & juniors are eligible; preference to students that identify with a group underrepresented in engineering

Dates: Saturdays from March 5 – May 7

Location: In-person at 41 Cooper Square, Manhattan

Deadline: __February 17__

Cost: Free

Links: https://cooper.edu/engineering/stem/saturdays

https://connect.cooper.edu/apply/

Information Session Approaching: Cooper Union Online Summer STEM Engineering Program

"This high level program meets Mondays through Thursdays and introduces students to engineering, design, computer science, & problem-solving. It includes presentations, interactions with engineers & faculty, and student-initiated projects. Students may choose two or three week programs."

Information session scheduled for **February 9**.

Eligible: Current freshmen, sophomores & juniors

Dates: July 11 – August 18; Information session: **February 9** (5:00pm)

Location: Hybrid; in-person at 41 Cooper Square, Manhattan

Deadline: **TBD**

Cost: $1,585 – Substantial financial aid may be available to eligible students.

First Event Approaching:

Center For Architecture Design Discovery Series

"Design Discovery's Spring 2022 series focuses on building fundamental architectural design skills. Each workshop highlights a different core lesson to help high school students explore architecture and hone skills for portfolio development. The workshops offered are Architectural Perspective Drawing, Plan and Elevation Drawing, Architectural Model Making, & Architectural Sketching."

Eligible: All students

*Dates***: Saturday, February 5, March 5, April 2, & May 7**

*Location***:** In-person and virtual

*Cost***:** $60 per session (need-based scholarships available)

*Application Deadline***: Rolling basis**

*Link***:** https://www.centerforarchitecture.org/k-12/teen-programs/design-discovery/

Girls Who Code Summer Programs

"Girls Who Code offers two summer programs: the **Summer Immersion Program** and the **Self-Paced Program**. The Summer Immersion Program (SIP) is a 2-week introductory computer science course during which participants learn web development with HTML, CSS, and JavaScript while getting an

inside look into the tech industry through incredible company partners. The Self-Paced Program is a 6-week flexible computer science course in which participants can choose to earn beginner-level badges in HTML, CSS, and JavaScript for web development or an intermediate-level badge in Python for cybersecurity."

Eligible: All students 14 and older who identify as girls or non-binary

Dates: Summer term

Location: Virtual

Cost: Free (grants and tech support available)

Application Deadline: **February 16 (early deadline) & March 18 (regular deadline)**

Links: https://girlswhocodesm.smapply.io/

https://girlswhocode.zendesk.com/hc/en-us/categories/202681357-GWC-Summer-Programs

Museum of Mathematics Programs & Resources:

Check the link below to access many of MoMath's programs (some are being offered for **free or at a reduced rate** for those in need) — please visit individual event pages for more information.

Medical/Life Sciences

New: Manhattan/Staten Island Summer Health Internship Program (SHIP)

SHIP invites students with an interest in the health professions to apply for a summer health internship program that allows students to interact with medical

professionals. The medical sites for this six-week program are in Manhattan and Staten Island.

Eligible: Manhattan & Staten Island resident sophomores, juniors & seniors (age 16 and older by start of program)

Dates: Summer

Locations: Various

Deadline: **March 2022**

Links: https://msiahec.org/programs/ship/

https://msiahec.org/ship-application/

New: miRcore Computational Biology Research Camps

"This camp is for students interested in computer, math, science, and medicine. The camp will focus on the role of genomics in diseases and symptoms and guide students in performing computational biology research using patient RNA expression data to identify genes related to certain diseases. There will be a separate basic genomics session to accommodate students who have not taken first year high school biology. Students will learn basic AI concepts in identifying diseases."

Eligibility: All Students

Dates: Various (June 13 - June 17, June 20 - June 24, July 11 - July 15, July 18 - July 22, and August 1 - August 5)

Location: Virtual

Cost: $585 (Limited partial scholarships available for eligible students)

Deadline: **Rolling Basis**

Link: https://www.mircore.org/2022-summer-camps/

New: The Scripps Translational Institute Student Research Internship Program

"SRTI offers a 10-week residential Student Research Internship Program for highly motivated high school, undergraduate, graduate, and professional

students. Interns will work with and learn from a multi-disciplinary team of scientists, who include internationally-renowned investigators in the areas of genomics, bioinformatics, digital medicine, and community engagement. The primary aim of the internship program is to train and prepare students interested in health sciences, statistics, and computational/computer science to become future leaders in the realm of translational medical research."

The program offers a stipend and housing for 20 interns who demonstrate need and will be onsite in La Jolla, Ca..

Eligible: Students at least 16 or older by the start of the internship

Dates: June 20 - August 26

Location: San Diego, California

Cost: Housing $45-$75 a day - stipend and housing available for 20 interns with demonstrated need

Application Deadline: **March 25**

Links: https://www.scripps.edu/science-and-medicine/translational-institute/education-and-training/student-research-internship/?tab-1-drawers=1

New: **Spring Health Professions Week**

"The Spring Health Professionals Week consists of events, activities, webinars, and videos to inspire students' healthcare career journey and help them learn more about personal finances and career options. Register below to view the full calendar of events, which include sessions on dentistry, veterinary degrees, pharmacy, occupational therapy, anesthesiology, prosthetics, & more."

Eligible: All students

Dates: Events last from March 1 to March 31

Location: Virtual

Application Deadline: **<u>Rolling Basis</u>**

Cost: Free

Link:

<u>https://event.gotowebinar.com/event/1ab76c08-c830-499d-bc5f-a350aa6bdb12</u>

Deadline Approaching: Perry Virtual Experience

"This program is a 2.5-hour, interactive experience for high school students who gender-identify as female or nonbinary and are interested in pursuing careers in orthopedic surgery and/or engineering. Participants will hear from women leaders in these fields and dive into online orthopedic simulations and biomechanics experiments."

Eligible: All students who identify as female or nonbinary

Dates: Various: Next session is **February 9**, followed by one on **February 22**

Location: Virtual

Cost: Free

*Application Deadline***: <u>February 4</u>** (for February 9 event), & **<u>Feb. 16</u>** (for 2/22)

Links: <u>https://perryinitiative.org/pve/</u>

Deadline Approaching:

The **MDI Biological Laboratory** offers seven-week summer research fellowships for students interested in developing scientific research skills. "Fellows are supervised by a faculty mentor and work alongside undergraduate fellows, graduate students, postdoctoral fellows and research assistants, thereby gaining experience and perspective on scientific research careers. They will conduct an independent research project and present their findings at our annual Summer Science Symposium."

Eligible: Students at least 16 years old as of June 19, 2022, if providing own, off-campus housing, OR, 18 by that date to live in 0n-campus housing.

Dates: Summer 2022

Location: Salisbury Cove, Maine

Application Deadlines: **February 7** (Student application)

Cost: Free (except for travel and laundry expenses)

Link: https://mdibl.org/education/student-fellowships/high-school-summer-fellowship-applications/

Deadline Approaching:

Human Oncology & Pathogenesis Program (HOPP)

"The Human Oncology & Pathogenesis Program (HOPP) at Memorial Sloan Kettering Cancer Center provides high school students with hands-on experience in laboratory techniques. Students conduct independent research projects and attend enriching training sessions and tours designed to support their interest in the clinical side of translational research and fuel their curiosity for science. Participants will receive a stipend."

Eligible: All students with 3.5 GPA in Science subjects – disadvantaged & underprivileged students are encouraged to apply.

 Dates: June 30 – August 24

 Location: Memorial Sloan

Application Deadline: **Friday, February 11**

Cost: Free

Links:

Resume & cover letter templates for basic student resumes may be accessed at the following links:

http://jobsearch.about.com/od/resumesandcoverletters/l/blhighschool2.htm

http://jobsearch.about.com/od/resumetemplates/a/templatehs.htm

If you are selected for or enroll in any of the above opportunities, please inform Mr. Blumm ASAP at: hblumm@stuy.edu

Whichever extra-curricular program, internship, or community service activity a student may participate in, they should be sure to ask their supervisor/coordinator to write a letter of appreciation before it concludes – it is sometimes very difficult to obtain this later on. And the more personal & detailed the letter, the better. A copy should then be submitted to your counselor.

Please feel free to contact Harvey Blumm at hblumm@stuy.edu with any questions or feedback on any items in this message, or with any suggestions or concerns you may have. **And always feel free to share any information about opportunities that may be of interest to our parents, teachers, or students**
