ONE Lab Summer Studio of Environmentally-Focused Design

“**ONE Lab** is a summer enrichment program that lets high school students explore the nexus between environmental concerns and creative / design practices, including sustainable fashion, architecture, and bio design. ONE Lab is a project of [Terreform ONE](#), a non-profit think-and-do-tank dedicated to fighting environmental degradation through innovative creative technology.

Students may apply to two-week online courses (4 sessions, June - August) in:

- Sustainable Fashion & Materials
- Architecture & the Environment
- Bio Design & Engineering

ONE Lab Summer Studio is online for 2021, allowing us to broaden the scope in lecturers, tours and projects beyond our NYC base. We also make sure students have off-screen time: they do supervised work with our Studio in a Box at their home workspace as well as outside project-related work. Our hours allow students from all across the continental US, Canada & Latin America to participate.

This program is creatively and intellectually stimulating, giving teens the chance to be proactive on climate concerns, introducing them to like-minded peers along with world-renowned design and climate experts, and jumpstarting their road to college and career exploration. They leave with a student evaluation and design portfolio, all great material for college applications.

Visit onelab.org for details on every aspect of the program

If you are selected for or enroll in any of the above opportunities, please inform Mr. Blumm ASAP at: hblumm@stuy.edu

Whichever extra-curricular program, internship, or community service activity a student may participate in, they should be sure to ask their supervisor/coordinator to write a letter of appreciation before it concludes – it is sometimes very difficult to obtain this later on. And the more personal & detailed the letter, the better. A copy should then be submitted to your counselor.

Please feel free to contact Harvey Blumm at hblumm@stuy.edu with any questions or feedback on any items in this message, or with any suggestions or concerns you may have. **And always feel free to share any information about opportunities that may be of interest to our parents, teachers, or students**
