This coming vacation week is an excellent time for students to apply for any of the remaining summer programs in this newsletter – many deadlines are fast approaching!

Here are a few highlights for this week:

---In the ACADEMICS section, there are some excellent free summer programs still available. These include the various **CUNY College Now** courses (mostly

for current 10th & 11th graders) and the CCNY (9th, 10th, and 11th graders eligible) and Hunter College (10th & 11th graders) **STEM/Summer Science programs**. And the **Columbia S-Prep** and various **Summer Technology Entry Program (STEP)** options are open to low-income and/or under-represented group students.

---In the COMMUNITY SERVICE category, the **Volunteer Referral Center** offers a free virtual guide to a wide variety of service opportunities for teens – check that item to register to receive their guide.

---In the STEM section, **Stem Matters** is a free summer program with a wide variety of activities & internships for current 9th, 10th, and 11th graders – the application deadline is **Tuesday, April 19th**.

For ease of use, these newsletters are organized by different categories, such as Academic Programs, Business & Jobs, Community Service, and so on.

New items always will be listed first in every category, followed by those with approaching deadlines (***Deadline Approaching***).

As always, students and parents should feel free to contact Harvey Blumm for advice & assistance at: hblumm@stuy.edu

Questions, suggestions, and information about other opportunities are always welcome and appreciated, and may be sent to Internship/Opportunity Coordinator Harvey Blumm at: hblumm@stuy.edu - we will share your helpful information with the Stuy community!

Our Future Is Science TikTok Campaign

“Our Future is Science is a joint initiative between the Aspen Institute Science & Society Program and Coda Societies. The mission is to ignite a movement where youth across the U.S. draw connections between STEAM (science, technology, engineering, arts, and mathematics) fields and social justice. To ensure that the voices of youth are heard, high school students are being called to submit a 60-second TikTok video about how society could use science to solve a problem in their community for a chance to win scholarships and cash prizes tagging #ourfutureisscience.”

Top 30 winners will receive cash prizes/scholarships.

Eligible: All students

Application Deadline: **May 1**

All About Education Scholarship

“It's often been said that "education is the key to success." What doors could your educational "key" open? It's not cheap to get a college degree, and many college-bound students see a shut door for education. We're here to help open it again. School can get expensive, so we want to know how winning a \$3,000 All About Education Scholarship could help make a difference in your life. Will it ease the burden of student loans? Will it offer you the opportunity to pursue a dream? Will it help you inspire others to work towards their own goals? Let us know why winning a scholarship for education matters to you.”

Eligible: All students who are at least 14 years old

If you are selected for or enroll in any of the above opportunities, please inform Mr. Blumm ASAP at: hblumm@stuy.edu

Whichever extra-curricular program, internship, or community service activity a student may participate in, they should be sure to ask their supervisor/coordinator to write a letter of appreciation before it concludes – it is sometimes very difficult to obtain this later on. And the more personal & detailed the letter, the better. A copy should then be submitted to your counselor.

Please feel free to contact Harvey Blumm at hblumm@stuy.edu with any questions or feedback on any items in this message, or with any suggestions or concerns you may have. **And always feel free to share any information about opportunities that may be of interest to our parents, teachers, or students**
