Stuyvesant's always-supportive Alumni Association is once again offering a large number of scholarships to our graduating seniors (and also one award for current juniors!). Learn more in the SCHOLARSHIPS category below.

This coming vacation week is an excellent time for students to apply for any of the remaining summer programs in this newsletter – many deadlines are fast approaching!

Here are a few highlights for this week:

---In the ACADEMICS section, there are some excellent free summer programs still available. These include the various **CUNY College Now** courses (mostly

for current 10th & 11th graders) and the CCNY (9th, 10th, and 11th graders eligible) and Hunter College (10th & 11th graders) **STEM/Summer Science programs.** And the **Columbia S-Prep** and various **Summer Technology Entry Program (STEP)** options are open to low-income and/or under-represented group students.

---In the COMMUNITY SERVICE category, the **Volunteer Referral Center** offers a free virtual guide to a wide variety of service opportunities for teens – check that item to register to receive their guide.

---In the STEM section, **Stem Matters** is a free summer program with a wide variety of activities & internships for current 9th, 10th, and 11th graders – the application deadline is **Tuesday, April 19th**.

For ease of use, these newsletters are organized by different categories, such as Academic Programs, Business & Jobs, Community Service, and so on.
New items always will be listed first in every category, followed by those with approaching deadlines (*Deadline Approaching*).

As always, students and parents should feel free to contact Harvey Blumm for advice & assistance at: hblumm@stuy.edu

Questions, suggestions, and information about other opportunities are always welcome and appreciated, and may be sent to Internship/Opportunity Coordinator Harvey Blumm at: hblumm@stuy.edu - we will share your helpful information with the Stuy community!

Key to a Bright Future Scholarship

"As a family law firm, we believe that children are the key to a bright future. This is why we are offering a $500 scholarship to a promising student whose diligence, aspiration, and hard work deserve to be rewarded. Balancing school with extracurricular activities can be difficult, to say the least. Our own Sheryl R. Rentz went to night school for her law degree while working full-time as an

engineer for AT&T Bell Laboratories. Please tell us how YOU find balance between your school life, work life, and extracurricular activities. How will this balance help you find the "key" to a bright future?"

Eligible: Seniors with a minimum GPA of 3.0

Application Deadline: **April 27**

If you are selected for or enroll in any of the above opportunities, please inform Mr. Blumm ASAP at: hblumm@stuy.edu

Whichever extra-curricular program, internship, or community service activity a student may participate in, they should be sure to ask their supervisor/coordinator to write a letter of appreciation before it concludes – it is sometimes very difficult to obtain this later on. And the more personal & detailed the letter, the better. A copy should then be submitted to your counselor.

Please feel free to contact Harvey Blumm at hblumm@stuy.edu with any questions or feedback on any items in this message, or with any suggestions or concerns you may have. **And always feel free to share any information about opportunities that may be of interest to our parents, teachers, or students**
