## **Museums, Art, Photography:**

***Deadline Approaching:***

### **ONE Lab Summer Studio of Environmentally-Focused Design**

“**ONE Lab** is a summer enrichment program that lets high school students explore the nexus between environmental concerns and creative / design practices, including sustainable fashion, architecture, and bio design. ONE Lab is a project of [Terreform ONE](#), a non-profit think-and-do-tank dedicated to fighting environmental degradation through innovative creative technology.

Students may apply to two-week online courses (4 sessions, June - August) in:

- Sustainable Fashion & Materials
- Architecture & the Environment
- Bio Design & Engineering

ONE Lab Summer Studio is online for 2021, allowing us to broaden the scope in lecturers, tours and projects beyond our NYC base. We also make sure students have off-screen time: they do supervised work with our Studio in a Box at their home workspace as well as outside project-related work. Our hours allow students from all across the continental US, Canada & Latin America to participate.

This program is creatively and intellectually stimulating, giving teens the chance to be proactive on climate concerns, introducing them to like-minded peers along with world-renowned design and climate experts, and jumpstarting their road to college and career exploration. They leave with a student evaluation and design portfolio, all great material for college applications.

The Detroit Writing Room’s 2021 Summer Journalism Camp is for you!

This two-week camp is taught by Detroit Writing Room and New York Writing Room coaches. The coaches are all award-winning journalists who have worked at publications from The New York Times and Wall Street Journal to The Detroit News and Detroit Free Press.

Each day, students will learn a different topic from a Writing Room coach, including news reporting, photography, column writing, food writing, and more. Participants will also gain mentors who can guide them to future internship and job opportunities.

Over the two weeks, students will report and write their own story on a topic of their choice. They will also be paired with an Editing Coach to receive feedback and editing. On the last day, students will share their stories with the group. Their stories will be published on The Detroit Writing Room’s website and in the second edition of *Perspectives Magazine*, a print publication produced by students in our journalism

and photography camps. Students who complete the program will receive a certificate. They will also be to welcome participate in select Detroit Writing Room workshops and events throughout the year at no cost.”

If you are selected for or enroll in any of the above opportunities, please inform Mr. Blumm ASAP at: [hblumm@stuy.edu](mailto:hblumm@stuy.edu)

Whichever extra-curricular program, internship, or community service activity a student may participate in, they should be sure to ask their supervisor/coordinator to write a letter of appreciation before it concludes – it is sometimes very difficult to obtain this later on. And the more personal & detailed the letter, the better. A copy should then be submitted to your counselor.

Please feel free to contact Harvey Blumm at [hblumm@stuy.edu](mailto:hblumm@stuy.edu) with any questions or feedback on any items in this message, or with any suggestions or concerns you may have. **And always feel free to share any information about opportunities that may be of interest to our parents, teachers, or students**
