Please note that a large number of excellent opportunities have March 31st and April 1st deadlines – **NOW** is the time to focus and get your applications in!!

Here are some highlights for this week:

---In the EVENTS section, a group of top colleges are offering upcoming **Splash!** one-day or weekend free/very low cost mini-classes taught by their undergraduate & graduate students, who also answer questions about their schools. **Columbia University's** event is Sunday, **April 3rd** (with a 3/28 registration deadline); **Northeastern University's** is scheduled for **Saturday, March 26th**, and Princeton, Berkeley, Cornell, and others are also available this spring.

---In the ACADEMICS section, the free **City College STEM Institute** welcomes 9th, 10th, and 11th grade applicants for its excellent six-week summer program. The **Columbia Science Honors** program for the 2022-2023 school year has extended its application deadline to April 15th. And several of the free **CUNY College Now** campuses have March 31st deadlines for their summer courses!

---In the COMMUNITY SERVICE category, the **Brooklyn Public Library** virtual '**Tomorrow's Techies T4**' program is now open for applications. And students may also check the provided link to apply for volunteer spots with NYC Public Library branches throughout the city. For those 16 and older who are interested in tutoring younger students, the **Go-Getters** non-profit organization offers options with a variety of elementary school students.

---In the GOVERNMENT/LEADERSHIP category, the **Apex Mentor** program matches students with professional mentors for monthly meetings during the 2022-2023 school year. The **National Labor Relations Board Ambassadors** program offers an outstanding opportunity to learn about legal, business, and government issues & regulation. And check out the **NYC Mayor's Office Summer Paid Internship** program (for those 16 and older).

---And in the PARKS/NATURE section, the **New York Botanical Garden** has a 4/7 Open House about their upcoming fall term **Explainers Internship** program. The **Queens Botanical Garden** accepts student volunteers who are interested in horticulture & the environment. **Brooklyn Bridge Park's TIDES** program is still accepting applications for their spring term (4/13 – 6/8) opportunity to work at this beautiful waterfront park. And **NYC Zoos and the Aquarium** welcome teen **Discovery Guides** – this is a great option for students who love animals!

For ease of use, these newsletters are organized by different categories, such as Academic Programs, Business & Jobs, Community Service, and so on.

New items always will be listed first in every category, followed by those with approaching deadlines (*Deadline Approaching*).

As always, students and parents should feel free to contact Harvey Blumm for advice & assistance at: hblumm@stuy.edu

Questions, suggestions, and information about other opportunities are always welcome and appreciated, and may be sent to Internship/Opportunity Coordinator Harvey Blumm at: hblumm@stuy.edu - we will share your helpful information with the Stuy community!

Updated: [Johns Hopkins Engineering Innovation Pre-College Program](#)

“Explore Engineering Innovation is an exciting, college-level, summer program for motivated high school students with an aptitude in math and science and curiosity about engineering. During the course, students explore a variety of topics and disciplines in engineering and have the opportunity to earn Johns Hopkins University (JHU) credit. During the course, students complete activities in civil, chemical, electrical/computer, mechanical engineering, and materials science. By applying knowledge of math and science to labs and hands-on projects, the concepts learned in high school classrooms are linked to real-world practice. Additionally, students’ confidence grows as they attend

college-level lectures, solve problems, test theories, and ultimately learn to think like engineers.”

Eligible: Students must have As and Bs in their math and science courses, completed Algebra II w/ Trigonometry, Chemistry, and Physics including lab.

National Labor Relations Board Student Ambassador Program

“The National Labor Relations Board is a federal agency that enforces the National Labor Relations Act. Through the NLRB’s **Student Ambassador Program**, students will get to engage with NLRB attorneys and investigators and will learn about the rights of workers and the responsibilities of employers and unions. Students will complete a learning phase and then students will get the opportunity to create a public facing project that the NLRB will help shape and promote. Each student will be assigned an attorney or investigator as a mentor for the public facing project.

Examples of a public facing project can be an article in a student or local newspaper or a presentation with an NLRB representative in a class or conference. This Program is a wonderful opportunity for students to develop familiarity with the law, law enforcement, and federal agencies. Equally

important, students will get the chance to create a project centered on what they have learned. They will develop their project skills, use their creativity, and step forward as leaders. At the end of the Program, they will receive a Certificate of Accomplishment.”

If you are selected for or enroll in any of the above opportunities, please inform Mr. Blumm ASAP at: hblumm@stuy.edu

Whichever extra-curricular program, internship, or community service activity a student may participate in, they should be sure to ask their supervisor/coordinator to write a letter of appreciation before it concludes – it is

sometimes very difficult to obtain this later on. And the more personal & detailed the letter, the better. A copy should then be submitted to your counselor.

Please feel free to contact Harvey Blumm at hblumm@stuy.edu with any questions or feedback on any items in this message, or with any suggestions or concerns you may have. **And always feel free to share any information about opportunities that may be of interest to our parents, teachers, or students**
