Congratulations to all on the completion of the Fall Term 2020! We welcome the page turning on 2020 and the start of the Spring Term 2021 tomorrow, Tuesday, February 2. Spring schedules are available for all to view on Talos accounts on the student dashboard. At this point, program change requests are closed and if there are extraordinary issues or errors to address, students should address them via email to their counselor today, February 1, as they will be available throughout the day for programming concerns. **Report cards will be distributed on Wednesday, February 3 via email to students and parents/guardians with Talos accounts.** Grades will be visible in all Talos accounts by clicking 'grades' and MP3 on TERM 1. Ensure you toggle this in the upper right corner.

Requests for "CR" grades will be taken **with seniors as the priority through February 7 at 6pm.** Families of grade 9-11 students will not have access to the CR request permission in Talos until 7pm on February 7. [View the information and instructions HERE.](#)
