### **STEM Matters Summer Enrichment Programs**

“This summer, STEM Matters NYC is offering a variety of exciting, hands-on, experiential science and STEM programs for students entering kindergarten through grade 12 in September 2024. Students entering grades K-9 can participate in a weeklong camp. Students entering grades 10-12 can participate in a one, two, or four-week program. Programs run in all five boroughs, during various weeks throughout the summer between July 8 and August 16, from 9:00 am-3:00 pm. If you are a student interested in animal science or aviation, marine biology or mechanics, ecology or engineering, or so much more, come discover, investigate, design, and create with us!”

**Eligible:** Rising sophomores, juniors, and seniors

**Dates:** Various dates in the summer (between July 18 and August 16)

**Locations:** Various

### ***Updated: High School Academic Research Competition (SARC)***

“SARC is more than just a contest—it’s a guided immersion into the research process, designed for experts and newcomers alike! Researchers can choose a topic they’re passionate about, something they wish to dive deeper into, or something they want to study in university. This is a chance for young researchers to master the research process and unlock their scientific minds. During this time, you’ll enroll in immersive workshops and exclusive bootcamps that guide you through the research process and

prepare you better for your research proposal. The competition provides cash prizes and an exclusive opportunity to have your research published in the Columbia Undergraduate Science Journal.”

***Eligible:*** All students

***Dates:*** May 13 - June 17

### Center for Architecture Summer Programs

“Summer Programs give curious kids the opportunity to dive into specific interests in architecture and test out their own ideas. Each program explores a different theme through art and building activities, design challenges, guided investigations of architectural examples, and site visits. Our educators strive to accommodate all learners. Classes are taught in a group setting and students engage independently to design and build projects. Programs include Digital Design: Tiny Houses, Architectural Design Studio, and Drawing Architecture.”

*Eligible:* All Students

*Dates:* July - August 2024 (Various Sessions)

*Location:* Center for Architecture (536 LaGuardia Place, Manhattan)

*Cost:* \$725 - \$1,450 (Need-Based Scholarships Available, Due May 1)

### STEM from Dance: Girls Rise Up

“Girls Rise Up is our three-week summer program designed for girls to explore the exciting world of STEM. Each day is jam-packed with dance to get participants moving and to supercharge their STEM skills. By the end of the program, participants

will showcase what they've learned in a performance that merges dance and technology – all created by them and their fellow participants. Girls Rise Up is an opportunity for girls of all backgrounds to level up their confidence, unlock new STEM abilities, and connect with a supportive tribe of like-minded creatives and technologists.”

**Eligible:** All students who identify as a girl

**Dates:** July 8 – July 26 (9AM - 3PM, Monday - Friday)

**Locations:** NYU (370 Jay Street, Brooklyn, NY ) or Barnard College (3009 Broadway, Manhattan)

**Cost:** Free

**Application Deadline:** **Rolling Basis**

### **Summer Institute for the Gifted (SIG)**

“Our unique STEAM+ curriculum focuses on applying creative thinking across multiple disciplines to solve real-world problems. Our curriculum spans all facets of STEAM and humanities. We encourage students to explore their interests while introducing them to new and intriguing topics. Students gain strong research and creative problem-solving skills vital to college and professional careers.”

Courses include Logic & Innovation, Global Politics Unveiled, Neuroscience, Quantum Mechanics, Technical Design with VEX Robotics, and more.

**Eligible:** All students

**Dates:** Summer (2–3 weeks)

**Locations:** Various campuses including UCLA, Yale, Boston University, and more

**Updated:** NYU Tandon Summer STEM Programs:

**1- *Deadline Approaching:* Computer Science for Cyber Security (CS4CS)**

**Summer Program**

“Computer Science for Cyber Security (CS4CS) is a 3-week full-day summer program providing an introduction on the fundamentals of cybersecurity and computer science at NYU’s Tandon School of Engineering. Through this program, we strive to educate and empower a new generation of engineers in an inclusive environment that breaks

down barriers that have historically led to the underrepresentation of women and minorities in STEM. No background or experience in cybersecurity or computer programming is needed to apply, only your interest and enthusiasm.”

**Eligible:** Students currently in 9th, 10th, or 11th grade

**Dates:** July 15 – August 9

**Location:** 2 MetroTech Center in Downtown Brooklyn

**Cost:** Free

**Application Deadline:** **April 14**

**Link:** <https://engineering.nyu.edu/academics/programs/k12-stem-education/computer-science-cyber-security-cs4cs>

## **2- *Deadline Approaching:* Innovation, Entrepreneurship and the Science of Smart Cities (ieSoSc)**

ieSoSC consists of STEM instruction and mentorship. With the support of the National Grid, the program will focus on technology and engineering skills, design and prototyping, built around real world ‘smart city’ applications and research.

**Eligible:** Students currently in 9th, 10th, or 11th grade

**Dates:** July 1 – August 2

**Location:** 2 MetroTech Center in Downtown Brooklyn

**Cost:** Free

**Application Deadline:** **April 14**

### 3- Computer Engineering for Good (CE4G)

The Computer Engineering for Good program redefines “solution” by focusing on the ways computers and engineering can be applied to address the disparity. Students will go through the process of analyzing real-world problems specifically using developing world technologies and then use Computer and Electrical engineering skills to implement a viable innovative “solution” that can ensure sustainability. During the program, students will have lessons on aspects of design conception all the way through implementation.

***Eligible:*** All students

***Dates:*** June 17 – July 3 or July 8 – July 26

***Location:*** 2 MetroTech Center in Downtown Brooklyn

***Cost:*** \$4,474

***Application Deadline:*** May 10

### 4- Programs in Digital Design and Media (UX and XR)

NYU Tandon's Summer Program for User Experience Design introduces high school students to the fundamentals of using design research to develop innovative and creative design interventions in the form of digital products and services. NYU Tandon's Summer Program for Extending Reality Through Virtual Worlds introduces

high-school students to the fundamentals of designing and developing augmented reality (AR) based video games that focus on telling choice-driven stories.

***Eligible:*** All students

***Dates:*** Various (Summer 2024)

***Location:*** 2 MetroTech Center in Downtown Brooklyn

***Cost:*** \$2,750 – \$4,500

***Application Deadline:*** **May 10**

## **5- Machine Learning (ML)**

NYU Tandon's summer program for Machine Learning introduces students to computer science, data analyses, mathematical techniques, and logic that drive the fields of machine learning and artificial intelligence. Lessons cover fundamental knowledge behind video and image recognition technologies; interactive voice controls for homes; autonomous vehicles; real-time monitoring and traffic control; cutting-edge diagnostic medical technologies, and other technologies that are a part of our daily lives.

***Eligible:*** All students

***Dates:*** June 17 – June 28 or July 8 – July 19 or July 29 – August 9

***Location:*** 2 MetroTech Center in Downtown Brooklyn

***Cost:*** \$2,950

***Application Deadline: April 20***

### **6- Summer Program in Automation, Robotics, and Coding (SPARC)**

The Summer Program for Automation Robotics and Coding (SPARC) introduces students to the basics of robotics, mechatronics and programming. During the program students will learn about applications for microcontrollers, interface sensors and actuators through hand-on manipulation of the components provided in their robotics kit.

***Eligible:*** All students

***Dates:*** June 17 – June 28 or July 8 – July 19 or July 29 – August 9

***Location:*** 2 MetroTech Center in Downtown Brooklyn

***Cost:*** \$3,192

***New: Next Deadline Approaching:***

### **Inspirit AI Scholars Sessions – Summer Courses**

“AI Scholars Live Online is a 10-session (25-hour) program that exposes high school students to fundamental AI concepts and guides them to build a socially impactful project. This year we have exciting ChatGPT and Generative AI-focused projects, and special sessions that we hope will help build a relevant and unique AI passion project, taught by our team of graduate students from Stanford, MIT, and more. Inspirit AI

students will explore applications, create foundational AI concepts, and develop AI programming skills before developing a Social Good project. The program also includes college and career preparation workshops, to prepare for top-ranked CS/AI programs and pursue ventures or careers in AI. After the program, students gain access to an online platform for continuous learning, including additional projects in various domains. No prior programming or computer science background is required, but an interest in AI is appreciated!”

***Eligible:*** All Students

***Dates:*** Early June - Early August

***Location:*** Virtual

***Cost:*** \$1,200

***Application Deadline:*** **April 15**

### ***Stuyvesant Alumni Association Scholarships***

The Stuyvesant Alumni Association awards more than 40 scholarships totaling more than \$100,000. These scholarships are available only to Stuyvesant seniors. (There is one scholarship available to juniors, The Carol and Theodore Lerner Award for Creativity).

Some answers to common questions on the FAFSA/providing financial information:

- If the students have already provided their colleges with the CSS Profile, they can submit that form in lieu of the FAFSA, but only if they did not submit a FAFSA.
- If the student never filed either the CSS or FAFSA because they are not a citizen or legal permanent resident, they should be sure to state it's because they are not a citizen or legal permanent resident in the "Financial aid information" question on the application. All information submitted by the students in their application is kept to the strictest confidentiality. All of the staff and any scholarship committee members, as well as any other additional parties who read the scholarship applications, must sign and adhere to a confidentiality agreement.
- Students must provide the financial information listed in the checklist in some form, even if they submit a one-page doc with all of it listed out.

If you have any questions, please email [alumni@shsaa.org](mailto:alumni@shsaa.org).

If you are selected for or enroll in any of the above opportunities, please inform Mr. Blumm ASAP at: [hblumm@stuy.edu](mailto:hblumm@stuy.edu)

Whichever extra-curricular program, internship, or community service activity a student may participate in, they should be sure to ask their supervisor/coordinator to

write a letter of appreciation before it concludes – it is sometimes very difficult to obtain this later on. And the more personal & detailed the letter, the better. A copy should then be submitted to your counselor.

Please feel free to contact Harvey Blumm at [hblumm@stuy.edu](mailto:hblumm@stuy.edu) with any questions or feedback on any items in this message, or with any suggestions or concerns you may have. **And always feel free to share any information about opportunities that may be of interest to our parents, teachers, or students.**
