

Stuyvesant High School Weekly Update

Dina Ingram, Director of Family Engagement

NYC high school
buildings will
reopen.

Last week, we were happy to hear the announcement that [high schools will be reopening on Monday, March 22, 2021](#) for those families who opted into blended learning by November 2020. We will be sending more information to families by March 17.

We also held an important conversation last week about **Mental Health and Wellness** at Stuyvesant at our monthly Safety Meeting, which was open to the community. If you were not able to see it live, please [catch the recording](#) and [presentation slides](#) at the links highlighted. This week, we will continue our focus on Mental Health with the second [Wellness Night](#) in collaboration with our Parent's Association. On **Tuesday, March 16 at 7pm**, the PStuchology Club will moderate at the PA General Meeting with special guest speaker Dr. Michael Mullarkey, who will present on **Mental Health During COVID-19: How To Make Sense of the Science**. Mandarin translation will be provided. [Register to join](#).

In our classrooms, the focus continues in our discussions as [Ms. Weinwurm welcomes alumni back to Health classes](#) this week to discuss 'How peers can support each other's mental health and dealing with stress and their Stuy experience'. Our counseling department also released their monthly **Counseling Newsletter** linked on page 3 of this Update with timely advice and tips! Lastly on the topic of Mental Health and Wellness, we're asking our parents and guardians to participate in our important **survey** either [English](#) or [Chinese](#).

Today, **March 15, the "PTC button" on parent Talos accounts went LIVE**. Parents and guardians may submit requests for phone calls for **parent/teacher conferences**, which will take place at Stuyvesant on **Thursday, March 25 at 5:30-8pm and/or Friday, March 26 at 1-3pm**. Please note: these are NOT the times the DOE advertises for high school parent teacher conferences. Make note on your calendars. [Please read and follow the instructions for using the PTC Button in Talos](#). **Submit your requests by March 19 at 5pm**. You can also review the PTC [Tip Sheet](#) on the Blog. [Report cards](#) will be emailed on **March 24** to students and families.

This week, [Office Hours for Parents](#) will take place on **Monday 3/15, Thursday 3/17 and Friday 3/18, at 2:30pm**. Parents & guardians do not need to sign up in advance. These recurring Zoom conversations are informal and discuss any question/topic you may like as well as a chance to meet some of your fellow parents. This week, we may even have some guests stop in.

[Coffee & Conversation with Mr. Yu](#) will take place **on March 17 at 8:30am**. We will close out the form to attend at 5pm today, Monday, March 15! If you would like to join, please do so by end of day, today. This is an informal chat and open forum for questions and concerns.

Last week, families received important [communications about AP Exams](#) as well as the upcoming [School Day SAT administration for juniors](#). The **AP Exam Schedule** is posted on the [Stuyvesant school website](#) as well as the [Talos Blog](#). There is a [Frequently Asked Questions](#) document for AP Exams that will be updated as questions are answered. **[The AP Exam payment portal is now open.](#)** Payments may be made for AP Exams through April 2, 2021.

If you missed last week's [Naviance Workshop for Parents](#), you can catch the recording and the Q&A printed discussion! We had over 300 join us live and over 160 learning later -- we thank Ms. Wilson for an informative session!

Stuyvesant Juniors who are taking the **SAT at Stuyvesant on March 24, April 13 or April 27** have the special exclusive opportunity to engage in [two weekend prep classes provided by Stuyvesant High School through Kweller Prep](#). Students may [sign up](#) using the google link for the two sessions preceding their test date administration only. These are full length proctored SAT tests (without essay) and review sessions.

Don't forget March all month long is our [Women's History Month](#) Celebration. We have celebrated 10 amazing women so far. This week we return to recognizing the contributions of Stuy Alumnae. Today we celebrate **Stuy '87 Hanna Rosen**. Learn about her and other inspiring women on the Blog everyday.

We are also continuing our Respect for All campaign. There has been a significant, troubling increase in anti-Asian hate crimes and bias incidents reported in the city. You may have seen our '[Stop Asian Hate!](#)' Resources from the DOE and Mayor's Office on the Blog. If you haven't, please continue to check the links throughout the month and in Mr. Colon's Newsletter as well.

CALENDAR - 2020-2021

You can access **Stuyvesant's calendar of events** on www.stuy.edu. You may download the **DOE 2020-2021 Calendar** and import the dates to your calendar [HERE](#) or print a copy of the DOE calendar [HERE](#). Below is a list for the remainder of the Fall Term. These dates may be updated; more will be added and/or adjusted. **The second column contains clickable links -- CLICK THEM!**
