Some highlights from this week's edition:

--In the ACADEMICS section, there is a new list of **free CUNY College Now courses for the upcoming fall term**. These are open to rising juniors & seniors, and, in some cases, to rising sophomores. BMCC (right across the street from Stuyvesant) has a **June 3<sup>rd</sup>** application deadline for their classes! And some CUNY campuses are still accepting applications for their summer courses – that list is also available in this section.

--In the BUSINESS section, all students may register for the virtual **Believe & Inspire** summer workshop series on Financial Literacy. There are also items offering paid **Real Estate Industry** internships, a free **Animation Skills**

**Development** program, and information on some still **available day camp & other paid summer jobs**.

--In the LEADERSHIP/GOVERNMENT category, there is a new item for the virtual **AAPI Youth Research Council** for AAPI female students – participants learn to conduct research into AAPI-related issues and receive \$20/hour for their participation!

There are still numerous programs available in the ART, Theater/Performing Arts, and Community Service areas, students should check them out ASAP, as many deadlines are approaching.

For ease of use, these newsletters are organized by different categories, such as Academic Programs, Business & Jobs, Community Service, and so on.

*New* items always will be listed first in every category, followed by those with approaching deadlines (***Deadline Approaching***).

As always, students and parents should feel free to contact Harvey Blumm for advice & assistance at: [hblumm@stuy.edu](mailto:hblumm@stuy.edu)

Questions, suggestions, and information about other opportunities are always welcome and appreciated, and may be sent to Internship/Opportunity Coordinator Harvey Blumm at: [hblumm@stuy.edu](mailto:hblumm@stuy.edu) - we will share your helpful information with the Stuy community!

### **Updated – Deadline Extended: High School Terminal**

“Terminal is a games-based AI challenge, where players code strategies to automate gameplay. Taking place between June 20 - 27, the competition will have a flexible structure so that participants will be able to work anytime during the week to accommodate their schedule.

We have hosted 20+ Terminal events for 5,000+ students across the top universities such as Harvard, MIT, Stanford, Oxford, and Cambridge, and we’re finally bringing Terminal to high school students! You can check out this clip of Terminal to learn more about the competition.

Participating students will be eligible for exclusive recruiting opportunities with Citadel along with prizes including Apple iPads, AirPods Pros, and Sonos Bluetooth Speakers! The event is completely free to attend and open to all high

school students. This is a great opportunity for students to exhibit their coding skills in a competitive, team-based setting. All Stuyvesant High School students are welcome to register, even entry-level students with little experience with coding just to have fun!”

“Terminal is a games-based AI challenge, where players code strategies to automate gameplay. Taking place between June 20 - 27, the competition will have a flexible structure so that participants will be able to work anytime during the week to accommodate their schedule.

We have hosted 20+ Terminal events for 5,000+ students across the top universities such as Harvard, MIT, Stanford, Oxford, and Cambridge, and we're finally bringing Terminal to high school students! You can check out this clip of Terminal to learn more about the competition.

Participating students will be eligible for exclusive recruiting opportunities with Citadel along with prizes including Apple iPads, AirPod Pros, and Sonos Bluetooth Speakers! The event is completely free to attend and open to all high school students. This is a great opportunity for students to exhibit their coding skills in a competitive, team-based setting. All Stuyvesant High School students are welcome to register, even entry-level students with little experience with coding just to have fun!”

If you are selected for or enroll in any of the above opportunities, please inform Mr. Blumm ASAP at: [hblumm@stuy.edu](mailto:hblumm@stuy.edu)

Whichever extra-curricular program, internship, or community service activity a student may participate in, they should be sure to ask their supervisor/coordinator to write a letter of appreciation before it concludes – it is sometimes very difficult to obtain this later on. And the more personal & detailed the letter, the better. A copy should then be submitted to your counselor.

Please feel free to contact Harvey Blumm at [hblumm@stuy.edu](mailto:hblumm@stuy.edu) with any questions or feedback on any items in this message, or with any suggestions or concerns you may have. **And always feel free to share any information about opportunities that may be of interest to our parents, teachers, or students**
