### **New: Lumiere Research Scholar Program**

“Founded by Harvard & Oxford researchers, this is a selective program for talented high school students. Students work one-on-one with a mentor from a top university to conduct research and develop a 15–20-page research paper on topics in every academic field, ranging from machine learning to economics to physics. In the 2020–2021 school year, more than 1,500 students applied to the program and 500 were admitted.”

**Eligible:** All students

**Dates:** Summer 2023

**Location:** TBD

**Cost:** \$2,600 - \$8,400

### **Inspirit AI Scholars Sessions – Summer Courses**

“AI Scholars Live Online is a 10-session (25-hour) program that exposes high school students to fundamental AI concepts and guides them to build a socially impactful project. This year we have exciting ChatGPT and Generative AI-focused projects, and special sessions that we hope will help build a relevant and unique AI passion project, taught by our team of graduate students from Stanford, MIT, and more.

Inspirit AI students will explore applications, create foundational AI concepts, and develop AI programming skills before developing a Social Good project. The program also includes college and career preparation workshops, to prepare for top-ranked CS/AI programs and pursue ventures or careers in AI. After the program, students gain access to an online platform for continuous learning, including additional projects in various domains. No prior programming or computer science background is required, but an interest in AI is appreciated!”

**Eligible:** All Students

**Dates:** Early June - Early August

**Location:** Virtual

**Cost:** \$1,100

**Application Deadline:** **April 15**

### **Deadline Approaching: Project Yellow Light Video & Radio Competition**

“Project Yellow Light/Hunter Garner Scholarship is a scholarship competition designed to bring about change. As an applicant you have one clear mission: encourage your peers to develop and embrace safe driving habits.

Here’s what we’re looking for: A video, billboard design or radio spot created to motivate, persuade and encourage your peers to not drive distracted. You have a unique opportunity to play a key role in spreading this important message. You can speak to your peers on this subject in a way that adults cannot. The more lives you can impact, the more lives you can save.

#### **For the video competition:**

For both the high school and college categories, the winner will receive a scholarship in the amount of \$8,000. Videos are due April 1.

#### **For the radio competition:**

For both high school and college categories, the winner will receive a scholarship in the amount of \$2,000. Recordings are due April 1.

In addition to a scholarship, the winning video may be turned into an Ad Council PSA and distributed nationally to approximately 1,800 TV stations. The winning design may be turned into a billboard and displayed on Clear Channel Outdoor digital billboards across the U.S. The winning radio spot may be shared on iHeartRadio's national network and radio stations across the U.S.

If you are selected for or enroll in any of the above opportunities, please inform Mr. Blumm ASAP at: [hblumm@stuy.edu](mailto:hblumm@stuy.edu)

Whichever extra-curricular program, internship, or community service activity a student may participate in, they should be sure to ask their supervisor/coordinator to write a letter of appreciation before it concludes – it is sometimes very difficult to obtain this later on. And the more personal & detailed the letter, the better. A copy should then be submitted to your counselor.

Please feel free to contact Harvey Blumm at [hblumm@stuy.edu](mailto:hblumm@stuy.edu) with any questions or feedback on any items in this message, or with any suggestions or concerns you may have. **And always feel free to share any information about opportunities that may be of interest to our parents, teachers, or students.**
