And, as always, students and parents should feel free to contact Harvey Blumm for advice & assistance: [hblumm@stuy.edu](mailto:hblumm@stuy.edu)

### **Events of Interest to Students:**

#### ***New:* Girls Write Now Salon Series - Seeing Poetry in the Dark**

“Come explore the surreal, lyrical poetry of Gabrielle Bates as we celebrate her electric debut collection, Judas Goat (Tin House). She will share her personal and professional journey as a poet; read some of her poems, and discuss how “night logic”

can be activated on the page to create strange, dark, and haunting progressions of imagery. We'll use prompts to create poems together, engaging in associative thinking to animate images in increasingly surprising ways. Join us for a creatively charged evening to inspire your inner poet.”

**Eligible:** All students

**Dates:** **April 28** (6:00 – 7:15 pm)

**Location:** Virtual

**Cost:** Free

**Application Deadline:** **Rolling Basis**

## ***Deadline Approaching:*** National Labor Relations Board Student Ambassador Program

“The National Labor Relations Board is a federal agency that enforces the National Labor Relations Act. Through the NLRB’s **Student Ambassador Program**, students will get to engage with NLRB attorneys and investigators, and will learn about the rights of workers and the responsibilities of employers and unions. Students will complete a learning phase and then students will get the opportunity to create a public facing project that the NLRB will help shape and promote. **Each student will be assigned an attorney or investigator as a mentor for the public facing project.**”

Examples of a public facing project can be an article in a student or local newspaper or a presentation with an NLRB representative in a class or conference. This Program is a wonderful opportunity for students to develop familiarity with the law, law enforcement, and federal agencies. Equally as important, students will get the chance to create a project centered on what they have learned. They will develop their project skills, use their creativity, and step forward as leaders. At the end of the Program, they will receive a Certificate of Accomplishment.”

***Eligible:*** Current sophomores, juniors, and seniors

***Dates:***

***Learning Phase:*** **July 17 to August 18.** Mondays, Tuesdays, and Wednesdays, 5 p.m. to 6:30 p.m. (hours may be adjusted to accommodate all participants)

## Lawyer Connection Club

“We strive to provide high school students an opportunity to understand various careers in law, politics and government. In giving students the chance to both learn about said careers through talking to a diverse group of professionals, we actively work to create a more informed youth who have a more accurate understanding of their interests. The club meets once a week via Google Meet with guest speakers - there will be opportunities to hear the life experiences of lawyers, judges, and other officials, ask questions, and receive advice on striving for similar success in the future. In the club, students will build their knowledge of higher education, job applications, interview skills, and the lifestyles of those in the professions they’re interested in.”

**Eligible:** All Students

## ***Deadlines Approaching:* NYU Tandon Summer STEM Programs:**

### **1- Computer Science for Cyber Security (CS4CS) Summer Program**

“Computer Science for Cyber Security (CS4CS) is a 3-week full-day summer program providing an introduction on the fundamentals of cybersecurity and computer science at NYU’s Tandon School of Engineering. Through this program, we strive to educate and empower a new generation of engineers in an inclusive environment that breaks down barriers that have historically led to the underrepresentation of women and minorities in STEM. No background or experience in cybersecurity or computer programming is needed to apply, only your interest and enthusiasm.”

**Eligible:** All students (priority to female and underrepresented students)

**Dates:** July 10 – 28

**Location:** 2 MetroTech Center in Downtown Brooklyn

**Cost:** Free

**Application Deadline:** **April 14**

### ***Deadline Approaching: Inspirit AI Scholars Sessions – Summer Courses***

“AI Scholars Live Online is a 10-session (25-hour) program that exposes high school students to fundamental AI concepts and guides them to build a socially impactful project. This year we have exciting ChatGPT and Generative AI-focused projects, and special sessions that we hope will help build a relevant and unique AI passion project, taught by our team of graduate students from Stanford, MIT, and more.

Inspirit AI students will explore applications, create foundational AI concepts, and develop AI programming skills before developing a Social Good project. The program also includes college and career preparation workshops, to prepare for top-ranked CS/AI programs and pursue ventures or careers in AI. After the program, students gain access to an online platform for continuous learning, including additional projects in various domains. No prior programming or computer science background is required, but an interest in AI is appreciated!”

## UCLA Game Lab High School Summer Institute

“The UCLA Game Lab Summer Institute introduces high school students to game-making as a form of artistic practice, teaching them the techniques and tools that will help them develop analog and digital games that reflect their own creative voice and vision. Students develop a solid aesthetic and technical foundation in various aspects of game design as well as learn how to express personal ideas through game-making. Taught by alumni of the UCLA Game Lab, these workflow-oriented classes focus on learning the fundamentals of game design, creating compelling game characters, building game worlds, and programming games. By the end of the two weeks, students will have created complete games or game assets in each of the four classes.”

**Eligible:** All students

**Dates:** July 10 - July 21 (Virtual), or July 23 - August 5 (In-Person)

**Location:** Virtual **OR** In-Person at the University of California, Los Angeles

### **Qubit Emerging Tech Summer Program**

“Code Connects is a non-profit organization that offers several summer computer science study options:

1-Summer Camp: This one-week program allows students to explore emerging tech—AI-Big Data, Pre-AP CS, and Quantum Computing.

2-Summer Research: This program offers an unprecedented opportunity for high school students to develop tangible technical skills in one of the world's most sought-after areas of tech - Data Science, which has applications across every industry from medicine to sports. Transforming from zero knowledge to a full skill set in data science, students will then be trained in conducting research and will have the

opportunity to work on current research being conducted at the Columbia University Data Science Institute.”

**Eligible:** All students

**Dates:** June 19 - July 28 (Summer Camp) or June 26 - August 4 (Summer Research)

Whichever extra-curricular program, internship, or community service activity a student may participate in, they should be sure to ask their supervisor/coordinator to write a letter of appreciation before it concludes – it is sometimes very difficult to obtain this later on. And the more personal & detailed the letter, the better. A copy should then be submitted to your counselor.

Please feel free to contact Harvey Blumm at [hblumm@stuy.edu](mailto:hblumm@stuy.edu) with any questions or feedback on any items in this message, or with any suggestions or concerns you may have. **And always feel free to share any information about opportunities that may be of interest to our parents, teachers, or students.**
