Deadline Approaching: Cultured Kids Cuisine Internship

“Cultured Kids Cuisine is an international non-profit organization striving to foster cultural awareness through food. We are currently recruiting high school and college students for a variety of roles, including marketing, writing, videography, and more. While no previous experience is necessary, all we ask is that applicants are passionate about building a future of love and tolerance through food. The internship is fully funded and students will be paired with a mentor and have the opportunity to attend weekly workshops led by successful women founders and entrepreneurs, growing their network and skillset in the process. Furthermore, this program pushes students to think creatively about solving real-world problems, instills in them the initiative to be proactive in their communities, and empowers them to see their ability to do something bigger.”

Deadline Approaching: Pasta Rose Scholarship

“The Pasta Rose Scholarship is a yearly scholarship awarded to Brooklyn high school students who have lost a parent to cancer. Having the strength and resilience to go on after losing a parent at a young age is no easy task. This scholarship will help those kids who have lost so much... help them to go to college, to succeed, and to help them feel just a little bit better.”

Eligible: Current seniors who live in Brooklyn

Application Deadline: **June 15**

Working Papers: Some summer jobs, internships, and programs do require students 14-17 years old to obtain working papers (official name: employment certificates). The necessary application form may be obtained from Mr. Myles Sebastien (who can explain the procedure and answer any questions) in the Stuyvesant Guidance Office (Room 236) between 8:00am – 3:30pm. Check the BUSINESS category for a link with more information.

If you are selected for or enroll in any of the above opportunities, please inform Mr. Blumm ASAP at: hblumm@stuy.edu

Whichever extra-curricular program, internship, or community service activity a student may participate in, they should be sure to ask their supervisor/coordinator to write a letter of appreciation before it concludes – it is sometimes very difficult to obtain this later on. And the more personal & detailed the letter, the better. A copy should then be submitted to your counselor.

Please feel free to contact Harvey Blumm at hblumm@stuy.edu with any questions or feedback on any items in this message, or with any suggestions or concerns you may have. **And always feel free to share any information about opportunities that may be of interest to our parents, teachers, or students.**
