New: **Visiting Neighbors Volunteer Program**

"With a friendly visit, seniors enjoy a few hours of a company each week, offering both the senior and volunteer an opportunity to learn from one another. Each visit is as unique as the two individuals involved. Seniors and volunteers share memories and warm conversation; they may listen to music together, watch a favorite movie or enjoy a hobby or a game of cards. Volunteers benefit from learning about an older person's life experiences, and seniors enjoy an opportunity to share their views with younger generations and stay connected with the outside world.

You can also escort a senior. If you have a special skill, such as graphics or writing, we can always use your help. We also need help with special projects, such as volunteer "elves" to deliver holiday gifts, or to help in the office, or with fundraising activities."

If you are selected for or enroll in any of the above opportunities, please inform Mr. Blumm ASAP at: hblumm@stuy.edu

Whichever extra-curricular program, internship, or community service activity a student may participate in, they should be sure to ask their supervisor/coordinator to write a letter of appreciation before it concludes – it is sometimes very difficult to obtain this later on. And the more personal &

detailed the letter, the better. A copy should then be submitted to your counselor.

Please feel free to contact Harvey Blumm at hblumm@stuy.edu with any questions or feedback on any items in this message, or with any suggestions or concerns you may have. **And always feel free to share any information about opportunities that may be of interest to our parents, teachers, or students**
