Some answers to common questions on the FAFSA/providing financial information:

- If the students have already provided their colleges with the CSS Profile, they can submit that form in lieu of the FAFSA, but only if they did not submit a FAFSA.
- If the student never filed either the CSS or FAFSA because they are not a citizen or legal permanent resident, they should be sure to state it's because they are not a citizen or legal permanent resident in the "Financial aid information" question on the application. All information submitted by the students in their application is kept to the strictest confidentiality. All of the staff and any scholarship committee members, as well as any other additional parties who read the scholarship applications, must sign and adhere to a confidentiality agreement.
- Students must provide the financial information listed in the checklist in some form, even if they submit a one-page doc with all of it listed out.

**Working Papers:** Some jobs, internships, and programs do require students 14-17 years old to obtain working papers (official name: employment certificates). The necessary application form may be obtained from Mr. Myles Sebastien (who can explain the procedure and answer any questions) in the Stuyvesant Guidance Office (Room 236) between 8:00am – 3:30pm.

If you are selected for or enroll in any of the above opportunities, please inform Mr. Blumm ASAP at: [hblumm@stuy.edu](mailto:hblumm@stuy.edu)

Whichever extra-curricular program, internship, or community service activity a student may participate in, they should be sure to ask their supervisor/coordinator to write a letter of appreciation before it concludes – it is sometimes very difficult to obtain this later on. And the more personal & detailed the letter, the better. A copy should then be submitted to your counselor.

Please feel free to contact Harvey Blumm at [hblumm@stuy.edu](mailto:hblumm@stuy.edu) with any questions or feedback on any items in this message, or with any suggestions or concerns you may have. **And always feel free to share any information about opportunities that may be of interest to our parents, teachers, or students.**
