This weekly bulletin informs students, parents, and staff about internships, academic programs, jobs, community service options, and leadership initiatives, along with other student opportunities in a variety of fields. Please carefully note deadlines, age requirements, and other pre-requisites for participation.

Some program deadlines are fast approaching – please do not miss them!

For ease of use, these newsletters are organized by different categories, such as Academic Programs, Business Internships & Jobs, STEM Opportunities, Community Service, and so on.

Questions, suggestions, and information about other opportunities are always welcome and appreciated, and may be sent to Internship/Opportunity Coordinator

Harvey Blumm at: hblumm@stuy.edu - we will share your helpful information with the Stuy community!

Working Papers: Some summer jobs, internships, and programs do require students 14-17 years old to obtain working papers (official name: employment certificates). The necessary application form may be obtained from Mr. Myles Sebastien (who can explain the procedure and answer any questions) in the Stuyvesant Guidance Office (Room 236) between 8:00am – 3:30pm. Check the BUSINESS category for a link with more information.

There are many excellent opportunities in this issue - including several highlighted below.

BUSINESS/CAREERS: The **NYC Summer Youth Employment Program (SYEP)** application is now live! This program is open to all high school students 14 and older, and provides paid working experience over the summer. **All** students should consider applying, in case other opportunities do not work out.

COMMUNITY SERVICE: There are numerous new options listed in this section, ranging from volunteering on Governors Island to helping youngsters learn how to ride a bike!

COLLEGE PREP: The **First Tech Fellowship** program for lower-income 10th and 11th graders provides college admissions and career planning support, beginning next September throughout the academic year; there are two upcoming virtual **Information Sessions** on 2/7 and 2/13.

LEADERSHIP/LAW/GOVERNMENT: **Columbia University's Freedom & Citizenship** program (for lower-income juniors) includes a four-week summer component, senior year college admissions support, and more. **Camp Rising Sun** (for students 15-16 years old) is an excellent free in-person camp leadership experience; its' sister **Ethical Leadership Experience** is a virtual summer option (for those 15-18 years old) at minimal cost. And a variety of law-focused summer options are available- several deadlines are fast-approaching!

MUSEUMS/ART: **Arts Connection** offers a variety of free and low-cost in-person & virtual programs for all students –check this section to learn more about their spring and summer options. The **Studio Institute's Teen Apprentice** program (for those 16 and older) is a part-time spring term program that leads to a paid art instruction job. The **Metropolitan Museum Summer Teen Internship** application is now online – interested 10th and 11th graders may apply. And the free **Summer Arts Institute** in Long Island City offers a wide variety of art and performance options – apply by February 11th!

PARKS/NATURE: The **Discovery Guide internship program** for spring and summer at various zoos and the Aquarium is open to all students – the application deadline is February 7th!

STEM: Current juniors may now apply to The **MIT Beaver Works Summer Institute** (some spots may be available for younger students). Participants must register for required virtual self-paced spring term Tech/Programming courses, and may also apply for the summer program (either in-person or virtual). **Kode with Klossy** is a free two-day (2/23-2/24) in-person coding program for female & gender-expansive students 13 and older; spots are limited!

Girls who Code welcomes applications for their two free virtual summer coding programs – the early application deadline is February 14th. And the **Center for Disease Control’s Disease Detectives** free one-week in-person program in Atlanta focuses on public health & Data Science – students must arrange their own transportation & housing.

Deadline Extended: Future Engineers Power to Explore Challenge

“Your challenge is learn about nuclear ‘batteries’ that power space exploration and dream up a new space mission. Your task is to plan a mission that uses Radioisotope Power Systems (RPS) to explore a location with limited light. RPS enables exploration to the deepest, darkest, and dustiest places, and NASA wants to hear where you would go, what you would explore, and how you would use this special power to achieve mission success.

Fifteen national semifinalists in each grade category (45 semifinalists total) will receive a NASA RPS Prize Pack. Three national finalists in each grade category (9 finalists total) will receive an exclusive virtual session with a NASA RPS expert. One grand prize winner from each grade category (3 grand prize winners in total) will receive a trip for two to NASA’s Glenn Research Center in Cleveland, Ohio, to learn about the people and technologies that power NASA missions.”

Eligible: All students

If you are selected for or enroll in any of the above opportunities, please inform Mr. Blumm ASAP at: hblumm@stuy.edu

Whichever extra-curricular program, internship, or community service activity a student may participate in, they should be sure to ask their supervisor/coordinator to write a letter of appreciation before it concludes – it is sometimes very difficult to

obtain this later on. And the more personal & detailed the letter, the better. A copy should then be submitted to your counselor.

Please feel free to contact Harvey Blumm at hblumm@stuy.edu with any questions or feedback on any items in this message, or with any suggestions or concerns you may have. **And always feel free to share any information about opportunities that may be of interest to our parents, teachers, or students.**
