March is [Women's History Month](#)! We are looking forward to celebrating everyday with another piece of our history! If you missed any of our **Black History Month** celebration - check out the entire post at [this link](#) and watch the [BSL Black History Month celebration](#) recording.

This week, [Office Hours for Parents](#) will take place on Tuesday, Wednesday and Thursday, March 2, 3 and 4. Parents & guardians do not need to sign up in advance. These recurring Zoom conversations will take place during office hours from 2:30-2:50pm to discuss any question/topic you may like as well as a chance to meet some of your fellow parents.

In partnership with the PA, we will host a [Naviance Workshop for Parents](#) on **March 8** at 6:30pm with **Ms. Jaurel Wilson** presenting. This is open to parents/guardians in all grades and we will have Mandarin translation. [Register now!](#)

Sign up for [Coffee & Conversation with Mr. Yu](#) on **March 10 or March 17** at 8:30am. Parents may sign up and join our informal chat and open forum for questions and concerns. In response to our focus on mental health and wellness at Stuy, we are asking parents/guardians to participate in an [important survey](#). Please submit in either [English](#) or [Chinese](#).

If you are a researcher, work in a laboratory (biology, physics, math or computer science) and willing to mentor one of our students in a summer Regeneration research project please contact Mr. Econome. You can [read more in the link](#).

This week at Stuy the Big Sibs will host their trivia game [Big Sib Little Sib Kahoot Tournament](#) on March 5 at 3pm for Freshmen. There is also a [Virtual Escape Room](#) at 5pm. Don't miss it!

Last week, Stuyvesant and the PA hosted [Wellness Night](#) at the PA Meeting with [Max Stossel](#), from the [Center for Humane Technology](#), on How to Build Healthier Relationships with Technology - "Social Media and Your Kids". Watch the recording at the link above.
