This weekly bulletin informs students, parents, and staff about internships, academic programs, jobs, community service options, and leadership initiatives, along with other student opportunities in a variety of fields. Please carefully note deadlines, age requirements, and other pre-requisites for participation.

These various opportunities utilize different formats. Some are in-person, some remote, and some have a hybrid arrangement. Check each program for their specific format and schedule. Students should consider applying to any that match their interests and talents. **Some program deadlines are fast approaching** – please do not miss them!

For ease of use, these newsletters are organized by different categories, such as

Academic Programs, Business Internships & Jobs, STEM Opportunities, Community Service, and so on.

Questions, suggestions, and information about other opportunities are always welcome and appreciated, and may be sent to Internship/Opportunity Coordinator Harvey Blumm at: hblumm@stuy.edu - we will share your helpful information with the Stuy community!

There are a number of excellent opportunities in this issue with fast-approaching deadlines - including (just to highlight a few):

EVENTS: Columbia's Lamont-Doherty Earth Observatory welcomes everyone to their Open House on Saturday, 10/14 – free transportation from the upper west side campus is available. And there are some upcoming college fairs & open houses (open to all), including one for the **CUNY Macaulay Honors Colleges** (10/15), the NACAC virtual college fair (10/15), and several **SUNY College** information sessions in October and November.

ACADEMICS: Many colleges & universities offer free or low-cost one/two-day **SPLASH mini-course events** for high school students. Classes include STEM and Humanities subjects, and are usually taught by their students on campus (some have virtual components). MIT, Yale, Johns Hopkins, Cornell and others have posted information online – check the link in this section for an updated list.

BUSINESS: NYC Exploring welcomes all students to participate in their series of after-school sessions with professionals from companies & organizations in a variety

of fields, including Business, Engineering, Law, Medicine, and more. New offerings from **M&T Bank** and the **KPMG** accounting company have recently been added.

STEM: The **Columbia Transcriptome Cell Biology Class** and the **Perry Initiative's Orthopedics/Engineering** program (with separate virtual & in-person events) are both excellent options for students with an interest in these areas of study.

Engineering/Architecture Deadline Approaching - all students interested in engineering, architecture, design, and construction may apply for the upcoming **ACE Mentor** weekly in-person partnership with a team of professionals from the Port Authority – participants work with these PA professionals from a variety of fields.

If you are selected for or enroll in any of the above opportunities, please inform Mr. Blumm ASAP at: hblumm@stuy.edu

Whichever extra-curricular program, internship, or community service activity a student may participate in, they should be sure to ask their supervisor/coordinator to write a letter of appreciation before it concludes – it is sometimes very difficult to obtain this later on. And the more personal & detailed the letter, the better. A copy should then be submitted to your counselor.

Please feel free to contact Harvey Blumm at hblumm@stuy.edu with any questions or feedback on any items in this message, or with any suggestions or concerns you may have. **And always feel free to share any information about opportunities that may be of interest to our parents, teachers, or students.**
